MCELHONE IN SUPPORT OF
CREDITOR BUSEY BANK'S MOTION
FOR THE APPOINTMENT OF A
CHAPTER 11 TRUSTEE OR, IN THE
ALTERNATIVE, FOR CONVERSION
OF CASE TO CHAPTER 7 OF THE
BANKRUPTCY CODE**

1
2 **DECLARATION OF MICHAEL MCELHONE**
3

4
5 Pursuant to 28 U.S.C. § 1764, Michael McElhone declares as follows under the penalty
6 of perjury:
7

8 1. Except as otherwise indicated herein, I have personal knowledge of the matters
9 set forth herein and, if called as a witness, would testify competently thereto.
10

11 2. I am a resident of the State of Missouri. I am over the age of twenty-one and have
12 never been convicted of a felony or crime of moral turpitude.
13

14 3. I make this Declaration in support of the Motion for the Appointment of a Chapter
15 Trustee or, in the Alternative, for Conversion of Case to Chapter 7 of the Bankruptcy Code
16 (the “Motion”) filed by Busey Bank (the “Bank”) in this action. Unless otherwise defined herein,
17 capitalized terms have the meanings assigned to such terms in the Motion.
18

19 4. I am a Vice President and Special Assets Officer of the Bank. I am authorized to
20 submit this Declaration on behalf of the Bank.
21

22 5. Each of the documents referred to herein (a) was made at or near the time
23 specified herein; (b) was made by, or based on information transmitted from, a person with
24 knowledge of the facts and matters set forth in each such document; (c) is kept by the Bank in
25 the ordinary course of its regularly conducted business; and/or (d) was made as a part of the
26 regularly conducted business of the Bank.
27

28 6. On July 16, 2019, Benja Incorporated (“Benja”) executed a Promissory Note in
29 favor of the Bank dated as of July 16, 2019, in the principal amount of \$1,000,000.00, as replaced
30 and superseded by a Promissory Note dated as of February 28, 2020, executed by Benja in favor
31 of the Bank in the original principal amount of \$3,000,000.00, as further replaced and superseded
32 by a Promissory Note dated as of August 20, 2020, executed by Benja in favor of the Bank in
33 the original principal amount of \$5,000,000.00 (collectively, the “Note”) evidencing a loan (the
34

1 “Loan”) in the same amounts. A true and accurate copy of Note is attached hereto and
2 incorporated herein by reference as **Exhibit 1**.

3 7. The Loan is also evidenced by a Business Loan Agreement (Asset Based) dated
4 July 16, 2019, executed by Benja and the Bank, as amended by a Modification to Business Loan
5 Agreement (Asset Based) dated as of February 28, 2020, executed by Benja in favor of Bank in
6 the original principal amount of \$3,000,000.00, as replaced and superseded by a Business Loan
7 Agreement (Asset Based) dated as of August 20, 2020, executed by Benja in favor of Bank in
8 the original principal amount of \$5,000,000.00 (collectively, the “BLA”). A true and accurate
9 copy of the BLA is attached hereto and incorporated herein by reference as **Exhibit 2**.

10 8. The Note is secured by a Commercial Security Agreement dated July 16, 2019
11 (the “Security Agreement”) executed by Benja in favor of the Bank. Under the Security
12 Agreement, and as security for the Loan, Benja granted to the Bank a security interest in the
13 Collateral (as defined and as more particularly described therein), including, but not limited to,
14 all of Benja’s inventory, equipment, accounts, chattel paper, instruments, letters of credit,
15 documents, deposit accounts, investment property, money, other rights to payment and
16 performance, and general intangibles, and all proceeds, additions, substitutions, and
17 replacements thereof. A true and accurate copy of the Security Agreement is attached hereto and
18 incorporated herein by reference as **Exhibit 3**.

19 9. To perfect the security interest arising under the Security Agreement, the Bank
20 caused a UCC Financing Statement to be filed on July 19, 2019, with the Delaware Department
21 of State as File Number 20195005348 (the “UCC Filing” and, together with the Security
22 Agreement, the “Security Documents”), with respect to all assets and property of Benja as
23 described therein. A true and accurate copy of the UCC Filing is attached hereto and incorporated
24 herein by reference as **Exhibit 4**.

1 10. Benja maintains a deposit account number XXXXX4766 at the Bank that is and
2 has been used by Benja in connection its business. (The foregoing account, and any other
3 accounts of Benja at the Bank, are collectively referred to herein as the “Bank Deposit Account”).
4 The Bank funded the Loan by depositing monies directly into the Bank Deposit Account. The
5 Bank Deposit Account and the funds on deposit therein are part of the Collateral securing the
6 Loan.

7 11. The Note is also secured by a Commercial Guaranty executed by Andrew J.
8 Chapin (“Chapin”) on or about July 16, 2019 (the “Chapin Guaranty”). Chapin is the founder
9 of Benja, and at all relevant times (except as noted below) has acted as a Director and Chief
10 Executive Officer of Benja.

12 12. The Note is also secured by a Commercial Guaranty executed by Thomas L.
13 Goode III (“Goode”) on or about July 16, 2019 (the “Goode Guaranty” and, together with the
14 Chapin Guaranty, the “Guarantees”).

15 13. The Note, BLA, Guarantees, Security Agreement, the UCC Filing, and all other
16 agreements, instruments, and documents evidencing, securing, or otherwise relating to the Loan
17 are collectively referred to herein as the “Loan Documents.⁴” Unless otherwise defined herein,
18 capitalized terms shall have the meanings ascribed to such terms in the Loan Documents.

20 14. Pursuant to a letter dated September 29, 2020 (the “Default Letter”), the Bank
21 notified Benja and the Guarantors of various Events of Default under the Loan Documents and
22 reserved all rights and remedies on account thereof under the Loan Documents, at law or in
23 equity. As reflected in the Default Letter, the outstanding Events of Default include, without
24 limitation, that Benja violated the BLA and Security Agreement in the following respects:
25

1 a. Benja borrowed money from First Corporate Solutions and E-Revshare
2 Core, LLC, and in connection therewith granted security interests to those lenders in
3 assets of Benja.

4 b. Benja allowed certain state tax liens in favor of the California
5 Employment Development Department to be recorded against Benja and its assets on or
6 about January 14, 2020, and March 9, 2020.

7 c. Benja allowed a judgment in favor of Peter A. Manderino to be recorded
8 against Benja and its assets on or about October 30, 2018.

9
10 d. Additionally, as reflected in the Default Letter, Goode contends that he
11 did not execute and/or is not bound by the Goode Guaranty. Although the Bank disputes
12 this contention, if it is ultimately determined that Goode did not execute and/or is not
13 bound by the Goode Guaranty, Benja violated the BLA, which required the execution of
14 the Goode Guaranty as a condition to the Bank making the Loan.¹

15
16 e. Finally, as reflected in the Default Letter, Benja violated the BLA by
17 maintaining an operating account at JPMorgan Chase Bank, and not with the Bank, as
18 the BLA requires that Benja maintain the Bank as its primary depository and cash
19 management services institution.

20 A true and accurate copy of the Default Letter is attached hereto and incorporated herein by
21 reference as **Exhibit 5**.

22
23 15. As of October 1, 2020, the total balance due under the Note, exclusive of
24 applicable late charges, default interest, and costs, expenses and attorneys' fees incurred by
25 Busey Bank, is as follows:

26
27

¹ The Bank is currently investigating the issues raised by Goode with respect to the
28 execution and enforceability of the Goode Guaranty, including Goode's belief that Chapin
 forged his signature to the Goode Guaranty.

Principal:	\$4,999,999.50
Regular Interest:	<u>\$26,656.53</u>
Total:	\$5,026,656.03

Additionally, interest continues to accrue under the Note from and after October 1, 2020.

16. Following the issuance of the Default Letter, the Bank learned (and continues to learn) troubling information regarding the actions of Chapin on behalf of Benja.

17. Starting in September 2020, I and other officers of the Bank had communications with the Chief Financial Officer of the Benja, Joe Alouf. Mr. Alouf alerted us to his concerns regarding potential fraud committed by Chapin against the Bank, other lenders and investors. Some of our conversations included Benja's then-outside counsel, Scott Olson of Vedder Price LLP, who expressed similar concerns regarding Chapin's conduct.

18. We were advised that on September 28, 2020, Chapin had agreed to resign his positions as CEO and Director of Benja, and that Mr. Alouf would be appointed as Interim President (in addition to being CFO) and a shareholder, Pano Anthos, would be appointed as Board Chairman. However, we learned the following day, September 29, 2020, that Chapin had reversed course and announced that he intended, as majority shareholder, to reinstate himself as CEO and sole Director of Benja. As a result of Chapin's actions, Vedder Price withdrew as Benja's counsel.

19. On October 1, 2020, the Bank received an email from Chapin announcing the foregoing management changes and that neither Mr. Anthos nor Mr. Alouf were authorized to speak for Benja. A true and correct copy of Chapin's email is attached hereto as **Exhibit 6**.

20. During one of my conversations with Mr. Alouf, he advised me that he had received from another lender copies of monthly statements of Benja's Deposit Account at the Bank for the months of April through August 2020, which that lender had received from Chapin.

1 Mr. Alouf forwarded the monthly statements to me, true and correct copies of which are attached
2 hereto as **Exhibit 7** (collectively, the "Chapin Bank Statements").
3

4 21. I then pulled copies of the actual monthly statements for the Bank Deposit
5 Account for the months of April through August 2020, true and correct copies of which are
6 attached hereto as **Exhibit 8** (collectively, the "Busey Bank Statements"). I sent the Busey Bank
7 Statements to Mr. Alouf so that we could compare them to the Chapin Bank Statements I had
8 received from him.
9

10 22. Upon our review of both sets of bank statements, Mr. Alouf and I determined that
11 Chapin had altered the Chapin Bank Statements to reflect numerous large deposits to the Bank
12 account from purported customers that do not appear in the actual Busey Bank Statements, the
13 result of which is to substantially inflate the account balances appearing in the Chapin Bank
14 Accounts. Below are the month-end account balances as reflected in each set of bank statements:
15

	<u>Account Balance in Busey Bank Statements</u>	<u>Account Balance in Chapin Bank Statements</u>
16 April 30, 2020	\$195,406.71	\$1,371,516.57
17 May 30, 2020	\$3,016.22	\$227,186.20
18 June 30, 2020	\$17,983.54	\$4,804,007.63
19 July 31, 2020	\$27,538.59	\$2,313,294.48
20 August 31, 2020	\$1,974.80	\$1,272,044.92

22 23. Thus, it appears that Chapin overstated the balance of the Bank account in the
24 Chapin Bank Statements, which Mr. Alouf indicated that Chapin had provided to the other lender,
25 creditors and investors, by hundreds of thousands or millions of dollars, including by over \$4.8
26 million in the June 2020 statement and approximately \$1.27 million in the last (August 2020)
27 statement.
28

1 24. Additionally, Chapin executed and delivered to the Bank monthly borrowing base
2 certificates from March to July 2020 and provided related accounts receivable aging reports
3 reflecting accounts receivable totaling between \$4.7 million to \$6 million, true and correct copies
4 of which are attached hereto as **Exhibit 9**. Based on my ongoing investigation, I have determined
5 that the borrowing base certificates and related accounts receivable aging reports are very likely
6 materially inaccurate. For example, the attached Busey Bank Statements do not reflect any
7 deposits made to the Bank Deposit Account from the purported customers appearing in the
8 borrowing base certificates and related accounts receivable aging reports indicating that the
9 accounts receivable are real. In fact, I have reviewed the monthly statements for the Bank
10 Deposit Account dating from the inception of the Loan in July 2019, and there are no deposits
11 from any of the purported customers appearing in the borrowing base certificates and the related
12 accounts receivable aging reports the Bank received from Chapin since that date. This is
13 extremely troubling to the Bank, as Benja's accounts receivable were to be the primary collateral
14 for the Bank's Loan.

16 25. I also learned from Mr. Alouf that he had conversations with a Brett Bureck, who
17 apparently is a former director and shareholder of Benja, who acknowledged to Mr. Alouf that
18 he, either directly or through his company, Taco Corporation of America ("TCA"), had received
19 approximately \$4.6 million from Benja over the preceding year, apparently in repayment of his
20 equity interests in Benja. I have reviewed the monthly statements of the Bank Deposit Account
21 since the inception of the Loan, which reflect millions of dollars of transfers to Mr. Bureck and
22 TCA. Most of these transfers were made immediately after the Bank made advances under the
23 Loan which were deposited into the Bank Deposit Account. The advances by the Bank were
24 intended to fund Benja's business operations, not to be diverted to an unknown individual and
25 his company on account of his purported equity interest in Benja.
26
27

1 26. Further, the Bank (through counsel) recently provided to Mr. Alouf a copy of
2 Benja's 2018 federal tax return that Chapin had provided to the Bank when he originally applied
3 for the Loan. A true and correct copy of the tax return is attached hereto as **Exhibit 10**. The tax
4 return indicates that it was prepared by a Tom Dunn at Numbrstudio Financial Group, LLC
5 ("Numbrstudio"). Mr. Alouf contacted the principal of Numbrstudio, who confirmed that there
6 is no Tom Dunn affiliated with Numbrstudio, that Numbrstudio does not prepare tax returns (it
7 outsources that work to another firm), and that the return appears to be fraudulent.

9 27. The Bank continues to investigate what other documents and information
10 provided by Chapin on behalf of Benja in connection with the origination of the Loan, and
11 thereafter, are fraudulent.

12 28. Based on the actions taken by Chapin to defraud the Bank (and other lenders and
13 investors), the Bank believes that it is imperative for this Court to grant the Motion and appoint
14 a trustee for Benja.

I declare under penalty of perjury that the foregoing is true and correct.

17 Executed this 20th day of October, 2020.

Borrower: Benja Incorporated
845 Market Street 450A
San Francisco, CA 94103

Lender: BUSEY BANK, AN ILLINOIS BANKING CORPORATION
CREVE COEUR
12300 OLIVE BLVD.
CREVE COEUR, MO 63141

Principal Amount: \$1,000,000.00**Date of Note: July 16, 2019**

PROMISE TO PAY. Benja Incorporated ("Borrower") promises to pay to BUSEY BANK, AN ILLINOIS BANKING CORPORATION ("Lender"), or order, in lawful money of the United States of America, the principal amount of One Million & 00/100 Dollars (\$1,000,000.00) or so much as may be outstanding, together with interest on the unpaid outstanding principal balance of each advance. Interest shall be calculated from the date of each advance until repayment of each advance.

PAYMENT. Borrower will pay this loan in one payment of all outstanding principal plus all accrued unpaid interest on July 15, 2020. In addition, Borrower will pay regular monthly payments of all accrued unpaid interest due as of each payment date, beginning August 16, 2019, with all subsequent interest payments to be due on the same day of each month after that. Unless otherwise agreed or required by applicable law, payments will be applied first to any accrued unpaid interest; then to principal; then to any late charges; and then to any unpaid collection costs. Borrower will pay Lender at Lender's address shown above or at such other place as Lender may designate in writing.

VARIABLE INTEREST RATE. The interest rate on this Note is subject to change from time to time based on changes in an independent index which is the one month London interbank offered rate as published in the Money Rates section of the Wall Street Journal (or such other rate that is widely recognized as the successor to the London interbank offered rate, as published by the Wall Street Journal or another comparable service determined by Lender in its sole discretion, for the purpose of displaying the rates at which U.S. Dollars deposits are offered by leading banks in the London interbank deposit market or, if no such widely recognized successor rate exists at such time, such other rates as published by the Wall Street Journal or another comparable service that reflects an alternative index rate designated by Lender in its sole discretion); provided that no event shall such rate be less than 0.00% (the "Index"). The Index is not necessarily the lowest rate charged by Lender on its loans. If the Index becomes unavailable during the term of this loan, Lender may designate a substitute index after notifying Borrower. Lender will tell Borrower the current Index rate upon Borrower's request. The interest rate change will not occur more often than each month on anniversary date of note. Borrower understands that Lender may make loans based on other rates as well. **The Index currently is 2.379% per annum.** Interest on the unpaid principal balance of this Note will be calculated as described in the "INTEREST CALCULATION METHOD" paragraph using a rate of 3.000 percentage points over the Index, resulting in an initial rate of 5.379%. NOTICE: Under no circumstances will the interest rate on this Note be more than the maximum rate allowed by applicable law.

INTEREST CALCULATION METHOD. Interest on this Note is computed on a 365/360 basis; that is, by applying the ratio of the interest rate over a year of 360 days, multiplied by the outstanding principal balance, multiplied by the actual number of days the principal balance is outstanding. All interest payable under this Note is computed using this method. This calculation method results in a higher effective interest rate than the numeric interest rate stated in this Note.

PREPAYMENT. Borrower agrees that all loan fees and other prepaid finance charges are earned fully as of the date of the loan and will not be subject to refund upon early payment (whether voluntary or as a result of default), except as otherwise required by law. Except for the foregoing, Borrower may pay without penalty all or a portion of the amount owed earlier than it is due. Early payments will not, unless agreed to by Lender in writing, relieve Borrower of Borrower's obligation to continue to make payments of accrued unpaid interest. Rather, early payments will reduce the principal balance due. Borrower agrees not to send Lender payments marked "paid in full", "without recourse", or similar language. If Borrower sends such a payment, Lender may accept it without losing any of Lender's rights under this Note, and Borrower will remain obligated to pay any further amount owed to Lender. All written communications concerning disputed amounts, including any check or other payment instrument that indicates that the payment constitutes "payment in full" of the amount owed or that is tendered with other conditions or limitations or as full satisfaction of a disputed amount must be mailed or delivered to: Chief Credit Officer, Busey Bank, 100 W. University Ave. Champaign, IL 61820.

LATE CHARGE. If a payment is more than 10 days late, Borrower will be charged 5.000% of the unpaid portion of the regularly scheduled payment or \$10.00, whichever is greater.

INTEREST AFTER DEFAULT. Upon default, including failure to pay upon final maturity, the interest rate on this Note shall be increased by adding an additional 5.000 percentage point margin ("Default Rate Margin"). The Default Rate Margin shall also apply to each succeeding interest rate change that would have applied had there been no default. However, in no event will the interest rate exceed the maximum interest rate limitations under applicable law.

DEFAULT. Each of the following shall constitute an event of default ("Event of Default") under this Note:

Payment Default. Borrower fails to make any payment when due under this Note.

Other Defaults. Borrower fails to comply with or to perform any other term, obligation, covenant or condition contained in this Note or in any of the related documents or to comply with or to perform any term, obligation, covenant or condition contained in any other agreement between Lender and Borrower.

Default in Favor of Third Parties. Borrower or any Grantor defaults under any loan, extension of credit, security agreement, purchase or sales agreement, or any other agreement, in favor of any other creditor or person that may materially affect any of Borrower's property or Borrower's ability to repay this Note or perform Borrower's obligations under this Note or any of the related documents.

False Statements. Any warranty, representation or statement made or furnished to Lender by Borrower or on Borrower's behalf under this Note or the related documents is false or misleading in any material respect, either now or at the time made or furnished or becomes false

or misleading at any time thereafter.

Insolvency. The dissolution or termination of Borrower's existence as a going business, the insolvency of Borrower, the appointment of a receiver for any part of Borrower's property, any assignment for the benefit of creditors, any type of creditor workout, or the commencement of any proceeding under any bankruptcy or insolvency laws by or against Borrower.

Creditor or Forfeiture Proceedings. Commencement of foreclosure or forfeiture proceedings, whether by judicial proceeding, self-help, repossession or any other method, by any creditor of Borrower or by any governmental agency against any collateral securing the loan. This includes a garnishment of any of Borrower's accounts, including deposit accounts, with Lender. However, this Event of Default shall not apply if there is a good faith dispute by Borrower as to the validity or reasonableness of the claim which is the basis of the creditor or forfeiture proceeding and if Borrower gives Lender written notice of the creditor or forfeiture proceeding and deposits with Lender monies or a surety bond for the creditor or forfeiture proceeding, in an amount determined by Lender, in its sole discretion, as being an adequate reserve or bond for the dispute.

Events Affecting Guarantor. Any of the preceding events occurs with respect to any Guarantor of any of the indebtedness or any Guarantor dies or becomes incompetent, or revokes or disputes the validity of, or liability under, any guaranty of the indebtedness evidenced by this Note.

Change in Ownership. Any change in ownership of twenty-five percent (25%) or more of the common stock of Borrower.

Adverse Change. A material adverse change occurs in Borrower's financial condition, or Lender believes the prospect of payment or performance of this Note is impaired.

Insecurity. Lender in good faith believes itself insecure.

LENDER'S RIGHTS. Upon default, Lender may declare the entire unpaid principal balance under this Note and all accrued unpaid interest immediately due, and then Borrower will pay that amount.

COLLATERAL. Borrower acknowledges this Note is secured by or may be secured by prior or subsequent security documents notwithstanding that such security is not indicated herein.

ATTORNEYS' FEES; EXPENSES. Lender may hire or pay someone else to help collect this Note if Borrower does not pay. Borrower will pay Lender that amount. This includes, subject to any limits under applicable law, Lender's attorneys' fees and Lender's legal expenses whether or not there is a lawsuit, including attorneys' fees and expenses for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), and appeals. If not prohibited by applicable law, Borrower also will pay any court costs, in addition to all other sums provided by law.

GOVERNING LAW. This Note will be governed by federal law applicable to Lender and, to the extent not preempted by federal law, the laws of the State of Missouri without regard to its conflicts of law provisions. This Note has been accepted by Lender in the State of Missouri.

CHOICE OF VENUE. If there is a lawsuit, Borrower agrees upon Lender's request to submit to the jurisdiction of the courts of ST. LOUIS County, State of Missouri.

DISHONORED ITEM FEE. Borrower will pay a fee to Lender of \$30.00 if Borrower makes a payment on Borrower's loan and the check or preauthorized charge with which Borrower pays is later dishonored.

RIGHT OF SETOFF. To the extent permitted by applicable law, Lender reserves a right of setoff in all Borrower's accounts with Lender (whether checking, savings, or some other account). This includes all accounts Borrower holds jointly with someone else and all accounts Borrower may open in the future. However, this does not include any IRA or Keogh accounts, or any trust accounts for which setoff would be prohibited by law. Borrower authorizes Lender, to the extent permitted by applicable law, to charge or setoff all sums owing on the indebtedness against any and all such accounts, and, at Lender's option, to administratively freeze all such accounts to allow Lender to protect Lender's charge and setoff rights provided in this paragraph.

LINE OF CREDIT. This Note evidences a revolving line of credit. Advances under this Note may be requested either orally or in writing by Borrower or as provided in this paragraph. Lender may, but need not, require that all oral requests be confirmed in writing. All communications, instructions, or directions by telephone or otherwise to Lender are to be directed to Lender's office shown above. The following person or persons are authorized to request advances and authorize payments under the line of credit until Lender receives from Borrower, at Lender's address shown above, written notice of revocation of such authority: Andrew J. Chapin, President & CEO of Benja Incorporated and such other persons as may be designated in writing by any previously authorized person or persons in accordance with Borrower's resolutions. Borrower agrees to be liable for all sums either: (A) advanced in accordance with the instructions of an authorized person or (B) credited to any of Borrower's accounts with Lender. The unpaid principal balance owing on this Note at any time may be evidenced by endorsements on this Note or by Lender's internal records, including daily computer print-outs. Lender will have no obligation to advance funds under this Note if: (A) Borrower or any guarantor is in default under the terms of this Note or any agreement that Borrower or any guarantor has with Lender, including any agreement made in connection with the signing of this Note; (B) Borrower or any guarantor ceases doing business or is insolvent; (C) any guarantor seeks, claims or otherwise attempts to limit, modify or revoke such guarantor's guarantee of this Note or any other loan with Lender; (D) Borrower has applied funds provided pursuant to this Note for purposes other than those authorized by Lender; or (E) Lender in good faith believes itself insecure.

SECURITY INTEREST IN DEPOSIT ACCOUNTS. Borrower grants to Lender a contractual security interest in, and hereby assigns, conveys, delivers, pledges, and transfers to Lender all Borrower's right, title and interest in and to, Borrower's deposit accounts with Lender (whether checking, savings, or some other account), including without limitation all deposit accounts held jointly with someone else and all deposit accounts Borrower may open in the future, excluding however all IRA and Keogh accounts, and all trust accounts for which the grant of a security interest would be prohibited by law. Borrower authorizes Lender, to the extent permitted by applicable law, to charge or setoff all sums owing on this Note against any and all such deposit accounts.

USA PATRIOT ACT NOTICE. Lender hereby notifies Borrower that pursuant to the requirements of the USA Patriot Act (Title III of Pub. L 107-56 (signed into law October 26, 2001) (the Patriot Act)), it is required to obtain, verify and record information that identifies Borrower, which information includes the name and address of Borrower and other information that will allow Lender to identify Borrower in accordance with the Patriot Act.

SUCCESSOR INTERESTS. The terms of this Note shall be binding upon Borrower, and upon Borrower's heirs, personal representatives, successors and assigns, and shall inure to the benefit of Lender and its successors and assigns.

GENERAL PROVISIONS. If any part of this Note cannot be enforced, this fact will not affect the rest of the Note. Lender may delay or forgo enforcing any of its rights or remedies under this Note without losing them. Borrower and any other person who signs, guarantees or endorses this Note, to the extent allowed by law, waive presentment, demand for payment, and notice of dishonor. Upon any change in the terms of this Note, and unless otherwise expressly stated in writing, no party who signs this Note, whether as maker, guarantor, accommodation maker or

endorser, shall be released from liability. All such parties agree that Lender may renew or extend (repeatedly and for any length of time) this loan or release any party or guarantor or collateral; or impair, fail to realize upon or perfect Lender's security interest in the collateral; and take any other action deemed necessary by Lender without the consent of or notice to anyone. All such parties also agree that Lender may modify this loan without the consent of or notice to anyone other than the party with whom the modification is made. The obligations under this Note are joint and several.

Borrower: Benja Incorporated
845 Market Street 450A
San Francisco, CA 94103

Lender: BUSEY BANK, AN ILLINOIS BANKING CORPORATION
CREVE COEUR
12300 OLIVE BLVD.
CREVE COEUR, MO 63141

Principal Amount: \$3,000,000.00

Date of Note: February 28, 2020

PROMISE TO PAY. Benja Incorporated ("Borrower") promises to pay to BUSEY BANK, AN ILLINOIS BANKING CORPORATION ("Lender"), or order, in lawful money of the United States of America, the principal amount of Three Million & 00/100 Dollars (\$3,000,000.00) or so much as may be outstanding, together with interest on the unpaid outstanding principal balance of each advance. Interest shall be calculated from the date of each advance until repayment of each advance.

PAYMENT. Borrower will pay this loan in one payment of all outstanding principal plus all accrued unpaid interest on February 27, 2021. In addition, Borrower will pay regular monthly payments of all accrued unpaid interest due as of each payment date, beginning March 28, 2020, with all subsequent interest payments to be due on the same day of each month after that. Unless otherwise agreed or required by applicable law, payments will be applied first to any accrued unpaid interest; then to principal; then to any late charges; and then to any unpaid collection costs. Borrower will pay Lender at Lender's address shown above or at such other place as Lender may designate in writing.

VARIABLE INTEREST RATE. The interest rate on this Note is subject to change from time to time based on changes in an independent index which is the one month London interbank offered rate as published in the Money Rates section of the Wall Street Journal (or such other rate that is widely recognized as the successor to the London interbank offered rate, as published by the Wall Street Journal or another comparable service determined by Lender in its sole discretion, for the purpose of displaying the rates at which U.S. Dollars deposits are offered by leading banks in the London interbank deposit market or, if no such widely recognized successor rate exists at such time, such other rate as published by the Wall Street Journal or another comparable service that reflects an alternative index rate designated by Lender in its sole discretion); provided that in no event shall such rate be less than 0.00% (the "Index"). The Index is not necessarily the lowest rate charged by Lender on its loans. Lender will tell Borrower the current Index rate upon Borrower's request. The interest rate change will not occur more often than each month on anniversary date of note. Borrower understands that Lender may make loans based on other rates as well. **The Index currently is 1.647% per annum.** Interest on the unpaid principal balance of this Note will be calculated as described in the "INTEREST CALCULATION METHOD" paragraph using a rate of 4.000 percentage points over the Index (the "Margin"), resulting in an initial rate of 5.647%. If Lender determines, in its sole discretion, that the Index has become unavailable or unreliable, either temporarily, indefinitely, or permanently, during the term of this Note, Lender may amend this Note by designating a substantially similar substitute index. Lender may also amend and adjust the Margin to accompany the substitute index. The change to the Margin may be a positive or negative value, or zero. In making these amendments, Lender may take into consideration any then-prevailing market convention for selecting a substitute index and margin for the specific Index that is unavailable or unreliable. Such an amendment to the terms of this Note will become effective and bind Borrower 10 business days after Lender gives written notice to Borrower without any action or consent of the Borrower. NOTICE: Under no circumstances will the interest rate on this Note be more than the maximum rate allowed by applicable law.

INTEREST CALCULATION METHOD. Interest on this Note is computed on a 365/360 basis; that is, by applying the ratio of the interest rate over a year of 360 days, multiplied by the outstanding principal balance, multiplied by the actual number of days the principal balance is outstanding. All interest payable under this Note is computed using this method. This calculation method results in a higher effective interest rate than the numeric interest rate stated in this Note.

PREPAYMENT. Borrower may pay without penalty all or a portion of the amount owed earlier than it is due. Early payments will not, unless agreed to by Lender in writing, relieve Borrower of Borrower's obligation to continue to make payments of accrued unpaid interest. Rather, early payments will reduce the principal balance due. Borrower agrees not to send Lender payments marked "paid in full", "without recourse", or similar language. If Borrower sends such a payment, Lender may accept it without losing any of Lender's rights under this Note, and Borrower will remain obligated to pay any further amount owed to Lender. All written communications concerning disputed amounts, including any check or other payment instrument that indicates that the payment constitutes "payment in full" of the amount owed or that is tendered with other conditions or limitations or as full satisfaction of a disputed amount must be mailed or delivered to: Chief Credit Officer, Busey Bank, 100 W. University Ave. Champaign, IL 61820.

LATE CHARGE. If a payment is more than 10 days late, Borrower will be charged 5.000% of the unpaid portion of the regularly scheduled payment or \$10.00, whichever is greater.

INTEREST AFTER DEFAULT. Upon default, including failure to pay upon final maturity, the interest rate on this Note shall be increased by adding an additional 5.000 percentage point margin ("Default Rate Margin"). The Default Rate Margin shall also apply to each succeeding interest rate change that would have applied had there been no default. However, in no event will the interest rate exceed the maximum interest rate limitations under applicable law.

DEFAULT. Each of the following shall constitute an event of default ("Event of Default") under this Note:

Payment Default. Borrower fails to make any payment when due under this Note.

Other Defaults. Borrower fails to comply with or to perform any other term, obligation, covenant or condition contained in this Note or in any of the related documents or to comply with or to perform any term, obligation, covenant or condition contained in any other agreement between Lender and Borrower.

Default in Favor of Third Parties. Borrower or any Grantor defaults under any loan, extension of credit, security agreement, purchase or sales agreement, or any other agreement, in favor of any other creditor or person that may materially affect any of Borrower's property or Borrower's ability to pay this Note or perform Borrower's obligations under this Note or any of the related documents.

False Statements. Any warranty, representation or statement made or furnished to Lender by Borrower or on Borrower's behalf under this Note or the related documents is false or misleading in any material respect, either now or at the time made or furnished or becomes false or misleading at any time thereafter.

Insolvency. The dissolution or termination of Borrower's existence as a going business, the insolvency of Borrower, the appointment of a receiver for any part of Borrower's property, any assignment for the benefit of creditors, any type of creditor workout, or the commencement of any proceeding under any bankruptcy or insolvency laws by or against Borrower.

Creditor or Forfeiture Proceedings. Commencement of foreclosure or forfeiture proceedings, whether by judicial proceeding, self-help, repossession or any other method, by any creditor of Borrower or by any governmental agency against any collateral securing the loan. This includes a garnishment of any of Borrower's accounts, including deposit accounts, with Lender. However, this Event of Default shall not apply if there is a good faith dispute by Borrower as to the validity or reasonableness of the claim which is the basis of the creditor or forfeiture proceeding and if Borrower gives Lender written notice of the creditor or forfeiture proceeding and deposits with Lender monies or a surety bond for the creditor or forfeiture proceeding, in an amount determined by Lender, in its sole discretion, as being an adequate reserve or bond for the dispute.

Events Affecting Guarantor. Any of the preceding events occurs with respect to any Guarantor of any of the indebtedness or any Guarantor dies or becomes incompetent, or revokes or disputes the validity of, or liability under, any guaranty of the indebtedness evidenced by this Note.

Change In Ownership. Any change in ownership of twenty-five percent (25%) or more of the common stock of Borrower.

Adverse Change. A material adverse change occurs in Borrower's financial condition, or Lender believes the prospect of payment or performance of this Note is impaired.

Insecurity. Lender in good faith believes itself insecure.

LENDER'S RIGHTS. Upon default, Lender may declare the entire unpaid principal balance under this Note and all accrued unpaid interest immediately due, and then Borrower will pay that amount.

ATTORNEYS' FEES; EXPENSES. Lender may hire or pay someone else to help collect this Note if Borrower does not pay. Borrower will pay Lender that amount. This includes, subject to any limits under applicable law, Lender's attorneys' fees and Lender's legal expenses whether or not there is a lawsuit, including attorneys' fees and expenses for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), and appeals. If not prohibited by applicable law, Borrower also will pay any court costs, in addition to all other sums provided by law.

GOVERNING LAW. This Note will be governed by federal law applicable to Lender and, to the extent not preempted by federal law, the laws of the State of Missouri without regard to its conflicts of law provisions. This Note has been accepted by Lender in the State of Missouri.

CHOICE OF VENUE. If there is a lawsuit, Borrower agrees upon Lender's request to submit to the jurisdiction of the courts of ST. LOUIS County, State of Missouri.

DISHONORED ITEM FEE. Borrower will pay a fee to Lender of \$30.00 if Borrower makes a payment on Borrower's loan and the check or preauthorized charge with which Borrower pays is later dishonored.

RIGHT OF SETOFF. To the extent permitted by applicable law, Lender reserves a right of setoff in all Borrower's accounts with Lender (whether checking, savings, or some other account). This includes all accounts Borrower holds jointly with someone else and all accounts Borrower may open in the future. However, this does not include any IRA or Keogh accounts, or any trust accounts for which setoff would be prohibited by law. Borrower authorizes Lender, to the extent permitted by applicable law, to charge or setoff all sums owing on the debt against any and all such accounts, and, at Lender's option, to administratively freeze all such accounts to allow Lender to protect Lender's charge and setoff rights provided in this paragraph.

COLLATERAL. Borrower acknowledges this Note is secured by or may be secured by prior or subsequent security documents notwithstanding that such security is not indicated herein.

LINE OF CREDIT. This Note evidences a revolving line of credit. Advances under this Note may be requested either orally or in writing by Borrower or as provided in this paragraph. Lender may, but need not, require that all oral requests be confirmed in writing. All communications, instructions, or directions by telephone or otherwise to Lender are to be directed to Lender's office shown above. The following person or persons are authorized to request advances and authorize payments under the line of credit until Lender receives from Borrower, at Lender's address shown above, written notice of revocation of such authority: **Andrew J. Chapin, President/Secretary of Benja Incorporated, and such other persons as may be designated in writing by any previously authorized person or persons in accordance with Borrower's resolutions.** Borrower agrees to be liable for all sums either: (A) advanced in accordance with the instructions of an authorized person or (B) credited to any of Borrower's accounts with Lender. The unpaid principal balance owing on this Note at any time may be evidenced by endorsements on this Note or by Lender's internal records, including daily computer print-outs. Lender will have no obligation to advance funds under this Note if: (A) Borrower or any guarantor is in default under the terms of this Note or any agreement that Borrower or any guarantor has with Lender, including any agreement made in connection with the signing of this Note; (B) Borrower or any guarantor ceases doing business or is insolvent; (C) any guarantor seeks, claims or otherwise attempts to limit, modify or revoke such guarantor's guarantee of this Note or any other loan with Lender; (D) Borrower has applied funds provided pursuant to this Note for purposes other than those authorized by Lender; or (E) Lender in good faith believes itself insecure.

SECURITY INTEREST IN DEPOSIT ACCOUNTS. Borrower grants to Lender a contractual security interest in, and hereby assigns, conveys, delivers, pledges, and transfers to Lender all Borrower's right, title and interest in and to, Borrower's deposit accounts with Lender (whether checking, savings, or some other account), including without limitation all deposit accounts held jointly with someone else and all deposit accounts Borrower may open in the future, excluding however all IRA and Keogh accounts, and all trust accounts for which the grant of a security interest would be prohibited by law. Borrower authorizes Lender, to the extent permitted by applicable law, to charge or setoff all sums owing on this Note against any and all such deposit accounts.

USA PATRIOT ACT NOTICE. Lender hereby notifies Borrower that pursuant to the requirements of the USA Patriot Act (Title III of Pub. L 107-56 (signed into law October 26, 2001) (the Patriot Act)), it is required to obtain, verify and record information that identifies Borrower, which information includes the name and address of Borrower and other information that will allow Lender to identify Borrower in accordance with the Patriot Act.

PRIOR NOTE. This Note represents a renewal, extension and modification of that Promissory Note dated July 16, 2019 of Borrower payable to Lender in the maximum principal amount of \$1,000,000.00 (the "Prior Note"). This Note does not constitute a novation, payment and reborrowing, or termination of any of Borrower's obligations under the Prior Note and Borrower's obligations under the Prior Note are in all respects continuing (as renewed, extended and modified by this Note).

Lender may delay or forgo enforcing any of its rights or remedies under this Note without losing them. Borrower and any other person who signs, guarantees or endorses this Note, to the extent allowed by law, waive presentment, demand for payment, and notice of dishonor. Upon any change in the terms of this Note, and unless otherwise expressly stated in writing, no party who signs this Note, whether as maker, guarantor, accommodation maker or endorser, shall be released from liability. JURY WAIVER. Lender and Borrower hereby waive the right to any jury trial in any action, proceeding, or counterclaim brought by either Lender or Borrower against the other.

PRIOR TO SIGNING THIS NOTE, BORROWER READ AND UNDERSTOOD ALL THE PROVISIONS OF THIS NOTE, INCLUDING THE VARIABLE INTEREST RATE PROVISIONS. BORROWER AGREES TO THE TERMS OF THE NOTE.

PROMISE TO PAY. Benja Incorporated ("Borrower") promises to pay to BUSEY BANK, AN ILLINOIS BANKING CORPORATION ("Lender"), or order, in lawful money of the United States of America, the principal amount of Five Million & 00/100 Dollars (\$5,000,000.00) or so much as may be outstanding, together with interest on the unpaid outstanding principal balance of each advance. Interest shall be calculated from the date of each advance until repayment of each advance.

PAYMENT. Borrower will pay this loan in one payment of all outstanding principal plus all accrued unpaid interest on February 27, 2021. In addition, Borrower will pay regular monthly payments of all accrued unpaid interest due as of each payment date, beginning August 28, 2020, with all subsequent interest payments to be due on the same day of each month after that. Unless otherwise agreed or required by applicable law, payments will be applied first to any accrued unpaid interest; then to principal; then to any late charges; and then to any unpaid collection costs. Borrower will pay Lender at Lender's address shown above or at such other place as Lender may designate in writing.

VARIABLE INTEREST RATE. The interest rate on this Note is subject to change from time to time based on changes in an independent index which is the rate of interest specified as the London interbank offered rate for a one-month period in the "Money Rates" section of The Wall Street Journal or its successors or another comparable service determined by Lender in its sole discretion (the "Index"). The Index is not necessarily the lowest rate charged by Lender on its loans. Lender will tell Borrower the current Index rate upon Borrower's request. The interest rate change will not occur more often than each month on the same day as the date of this note. Borrower understands that Lender may make loans based on other rates as well. The Index currently is 0.152% per annum. Interest on the unpaid principal balance of this Note will be calculated as described in the "INTEREST CALCULATION METHOD" paragraph using a rate of 4.000 percentage points over the Index (the "Margin"), adjusted if necessary for any minimum and maximum rate limitations described below, resulting in an initial rate of 4.152%. Notwithstanding anything herein to the contrary, in the event that Lender, in its sole judgment, determines that (a) the Index is permanently or indefinitely unavailable or unascertainable, or the Index administrator or its successor has ceased or will cease publishing the Index, permanently or indefinitely, (b) the Index is determined to be no longer representative by the regulatory supervisor of the Index administrator or its successor, (c) the Index can no longer be lawfully relied upon in contracts of this nature by one or both of the parties, (d) the Index does not accurately or fairly reflect the cost of making or maintaining the type of loans under this Note, or (e) U.S. dollar-denominated credit facilities are being executed or amended, as applicable, to incorporate or adopt a new benchmark interest rate to replace the Index, then, at the election of Lender, all references to the Index herein will instead be to a replacement index determined by Lender in its sole judgment, including any adjustment to the replacement index to reflect a different credit spread, term or other mathematical adjustment deemed necessary by Lender in its sole judgment. Lender will provide reasonable notice to Borrower of such replacement rate and the date on which it will become effective. In no event shall the Index or any replacement Index be less than 0.00%. Lender's determination of the Index or any replacement rate shall be conclusive, absent manifest error.

NOTICE: Under no circumstances will the interest rate on this Note be less than 3.500% per annum or more than the maximum rate allowed by applicable law.

INTEREST CALCULATION METHOD. Interest on this Note is computed on a 365/360 basis; that is, by applying the ratio of the interest rate over a year of 360 days, multiplied by the outstanding principal balance, multiplied by the actual number of days the principal balance is outstanding. All interest payable under this Note is computed using this method. This calculation method results in a higher effective interest rate than the numeric interest rate stated in this Note.

PREPAYMENT. Borrower may pay without penalty all or a portion of the amount owed earlier than it is due. Early payments will not, unless agreed to by Lender in writing, relieve Borrower of Borrower's obligation to continue to make payments of accrued unpaid interest. Rather, early payments will reduce the principal balance due. Borrower agrees not to send Lender payments marked "paid in full", "without recourse", or similar language. If Borrower sends such a payment, Lender may accept it without losing any of Lender's rights under this Note, and Borrower will remain obligated to pay any further amount owed to Lender. All written communications concerning disputed amounts, including any check or other payment instrument that indicates that the payment constitutes "payment in full" of the amount owed or that is tendered with other conditions or limitations or as full satisfaction of a disputed amount must be mailed or delivered to: Chief Credit Officer, Busey Bank, 100 W. University Ave. Champaign, IL 61820.

LATE CHARGE. If a payment is more than 10 days late, Borrower will be charged 5.000% of the unpaid portion of the regularly scheduled payment or \$10.00, whichever is greater.

INTEREST AFTER DEFAULT. Upon default, including failure to pay upon final maturity, the interest rate on this Note shall be increased by adding an additional 5.000 percentage point margin ("Default Rate Margin"). The Default Rate Margin shall also apply to each succeeding interest rate change that would have applied had there been no default. However, in no event will the interest rate exceed the maximum interest rate limitations under applicable law.

DEFAULT. Each of the following shall constitute an event of default ("Event of Default") under this Note:

Payment Default. Borrower fails to make any payment when due under this Note.

THIS BUSINESS LOAN AGREEMENT (ASSET BASED) dated July 16, 2019, is made and executed between Benja Incorporated ("Borrower") and BUSEY BANK, AN ILLINOIS BANKING CORPORATION ("Lender") on the following terms and conditions. Borrower has received prior commercial loans from Lender or has applied to Lender for a commercial loan or loans or other financial accommodations, including those which may be described on any exhibit or schedule attached to this Agreement. Borrower understands and agrees that: (A) in granting, renewing, or extending any Loan, Lender is relying upon Borrower's representations, warranties, and agreements as set forth in this Agreement; (B) the granting, renewing, or extending of any Loan by Lender at all times shall be subject to Lender's sole judgment and discretion; and (C) all such Loans shall be and remain subject to the terms and conditions of this Agreement.

TERM. This Agreement shall be effective as of July 16, 2019, and shall continue in full force and effect until such time as all of Borrower's Loans in favor of Lender have been paid in full, including principal, interest, costs, expenses, attorneys' fees, and other fees and charges, or until such time as the parties may agree in writing to terminate this Agreement.

ADVANCE AUTHORITY. The following person or persons are authorized to request advances and authorize payments under the line of credit until Lender receives from Borrower, at Lender's address shown above, written notice of revocation of such authority: Andrew J. Within the foregoing limits, Borrower may borrow, partially or wholly prepay, and reborrow under this Agreement as follows:

Conditions Precedent to Each Advance. Lender's obligation to make any Advance to or for the account of Borrower under this Agreement is subject to the following conditions precedent, with all documents, instruments, opinions, reports, and other items required under this Agreement to be in form and substance satisfactory to Lender:

- (1) Lender shall have received evidence that this Agreement and all Related Documents have been duly authorized, executed, and delivered by Borrower to Lender.
- (2) Lender shall have received such opinions of counsel, supplemental opinions, and documents as Lender may request.
- (3) The security interests in the Collateral shall have been duly authorized, created, and perfected with first lien priority and shall be in full force and effect.
- (4) All guarantees required by Lender for the credit facility(ies) shall have been executed by each Guarantor, delivered to Lender, and be in full force and effect.

- (6) Borrower shall have paid to Lender all fees, costs, and expenses specified in this Agreement and the Related Documents as are then due and payable.
- (7) There shall not exist at the time of any Advance a condition which would constitute an Event of Default under this Agreement, and Borrower shall have delivered to Lender the compliance certificate called for in the paragraph below titled "Compliance Certificate."

Each Advance shall be conclusively deemed to have been made at the request of and for the benefit of Borrower (1) when credited to any deposit account of Borrower maintained with Lender or (2) when advanced in accordance with the instructions of an authorized person. Lender, at its option, may set a cutoff time, after which all requests for Advances will be treated as having been requested on the next succeeding Business Day.

Mandatory Loan Repayments. If at any time the aggregate principal amount of the outstanding Advances shall exceed the applicable Borrowing Base, Borrower, immediately upon written or oral notice from Lender, shall pay to Lender an amount equal to the difference between the outstanding principal balance of the Advances and the Borrowing Base. On the Expiration Date, Borrower shall pay to Lender in full the aggregate unpaid principal amount of all Advances then outstanding and all accrued unpaid interest, together with all other applicable fees, costs and charges, if any, not yet paid.

Loan Account. Lender shall maintain on its books a record of account in which Lender shall make entries for each Advance and such other debits and credits as shall be appropriate in connection with the credit facility. The provisions of this section of the Agreement shall survive the payment of the Indebtedness and the termination, expiration or satisfaction of this Agreement and shall not be affected by Lender's acquisition of any interest in any of the Collateral, whether by foreclosure or otherwise.

Indemnification. Indemnify and defend Lender and each director, officer, employee, agent and advisor of Lender (Lender and each such person being called an "Indemnitee") against, and hold each Indemnitee harmless from, any and all claims, losses, liabilities, damages, penalties and expenses (including the fees, charges and disbursements of any counsel for any Indemnitee), and shall indemnify, defend and hold harmless each Indemnitee from all fees and time charges and disbursements for attorneys, incurred by any Indemnitee or asserted against any Indemnitee by any third party or by Borrower or any Guarantor arising out of, in connection with, or as a result of: (1) the execution or delivery of this Agreement, any other Related Document or any document contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder or the consummation of the transactions contemplated hereby or thereby; (2) any Advance or the use or proposed use of the proceeds therefrom; or (3) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by Borrower or any Guarantor, and regardless of whether any Indemnitee is a party thereto, in all cases, whether or not caused by or arising, in whole or in part, out of the comparative, contributory or sole negligence of the Indemnitee; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such claims, losses, liabilities damages, penalties and expenses have been determined by a court of competent jurisdiction to result from the gross negligence or willful misconduct of such Indemnitee. The provisions of this section of the Agreement, including the obligation to indemnify and defend, shall survive the payment of the Indebtedness and the termination, expiration or satisfaction of this Agreement and shall not be affected by Lender's acquisition of any interest in any of the Collateral, whether by foreclosure or otherwise.

RECOVERY OF ADDITIONAL COSTS. If the imposition of or any change in any law, rule, regulation, guideline, or generally accepted accounting principle, or the interpretation or application of any thereof by any court, administrative or governmental authority, or standard-setting organization (including any request or policy not having the force of law) shall impose, modify or make applicable any taxes (except federal, state or local income or franchise taxes imposed on Lender), reserve requirements, capital adequacy requirements, or other obligations which would (A) increase the cost to Lender for extending or maintaining the credit facilities to which this Agreement relates, (B) reduce the amounts payable to Lender under this Agreement or the Related Documents, or (C) reduce the rate of return on Lender's capital as a consequence of Lender's obligations with respect to the credit facilities to which this Agreement relates, then Borrower agrees to pay Lender such additional amounts as will compensate Lender therefor, within five (5) days after Lender's written demand for such payment, which demand shall be accompanied by an explanation of such imposition or charge and a calculation in reasonable detail of the additional amounts payable by Borrower, which explanation and calculations shall be conclusive in the absence of manifest error.

LENDER'S EXPENDITURES. If any action or proceeding is commenced that would materially affect Lender's interest in the Collateral or if Borrower fails to comply with any provision of this Agreement or any Related Documents, including but not limited to Borrower's failure to discharge or pay when due any amount Borrower is required to discharge or pay under this Agreement or any Related Documents, Lender on Borrower's behalf may (but shall not be obligated to) take any action that Lender deems appropriate, including but not limited to discharging or paying all taxes, liens, security interests, encumbrances and other claims, at any time levied or placed on any Collateral and paying all costs for insuring, maintaining and preserving any Collateral. All such expenditures incurred or paid by Lender for such purposes will then bear interest at the rate charged under the Note from the date incurred or paid by Lender to the date of repayment by Borrower. All such expenses will become a part of the Indebtedness and, at Lender's option, will (A) be payable on demand; (B) be added to the balance of the Note and be apportioned among and be payable with any installment payments to become due during either (1) the term of any applicable insurance policy; or (2) the remaining term of the Note; or (C) be treated as a balloon payment which will be due and payable at the Note's maturity.

NEGATIVE COVENANTS. Borrower covenants and agrees with Lender that while this Agreement is in effect, Borrower shall not, without the prior written consent of Lender:

Indebtedness and Liens. (1) Except for trade debt incurred in the normal course of business and indebtedness to Lender contemplated by this Agreement, create, incur or assume indebtedness for borrowed money, including capital leases, (2) sell, transfer, mortgage, assign, pledge, lease, grant a security interest in, or encumber any of Borrower's assets (except as allowed as Permitted Liens), or (3) sell with recourse any of Borrower's accounts, except to Lender.

Loans, Acquisitions and Guarantees. (1) Loan, invest in or advance money or assets to any other person, enterprise or entity, (2) purchase, create or acquire any interest in any other enterprise or entity, or (3) incur any obligation as surety or guarantor other than in the ordinary course of business.

Agreements. Enter into any agreement containing any provisions which would be violated or breached by the performance of Borrower's obligations under this Agreement or in connection herewith.

CESSATION OF ADVANCES. If Lender has made any commitment to make any Loan to Borrower, whether under this Agreement or under any other agreement, Lender shall have no obligation to make Loan Advances or to disburse Loan proceeds if: (A) Borrower or any Guarantor is in default under the terms of this Agreement or any of the Related Documents or any other agreement that Borrower or any Guarantor has with Lender; (B) Borrower or any Guarantor dies, becomes incompetent or becomes insolvent, files a petition in bankruptcy or similar proceedings, or is adjudged a bankrupt; (C) there occurs a material adverse change in Borrower's financial condition, in the financial condition of any Guarantor, or in the value of any Collateral securing any Loan; or (D) any Guarantor seeks, claims or otherwise attempts to limit, modify or

revoke such Guarantor's guaranty of the Loan or any other loan with Lender; or (E) Lender in good faith deems itself insecure, even though no Event of Default shall have occurred.

RIGHT OF SETOFF. To the extent permitted by applicable law, Lender reserves a right of setoff in all Borrower's accounts with Lender (whether checking, savings, or some other account). This includes all accounts Borrower holds jointly with someone else and all accounts Borrower may open in the future. However, this does not include any IRA or Keogh accounts, or any trust accounts for which setoff would be prohibited by law. Borrower authorizes Lender, to the extent permitted by applicable law, to charge or setoff all sums owing on the Indebtedness against any and all such accounts, and, at Lender's option, to administratively freeze all such accounts to allow Lender to protect Lender's charge and setoff rights provided in this paragraph.

DEFAULT. Each of the following shall constitute an Event of Default under this Agreement:

Payment Default. Borrower fails to make any payment when due under the Loan.

Other Defaults. Borrower fails to comply with or to perform any other term, obligation, covenant or condition contained in this Agreement or in any of the Related Documents or to comply with or to perform any term, obligation, covenant or condition contained in any other agreement between Lender and Borrower.

Default in Favor of Third Parties. Borrower or any Grantor defaults under any loan, extension of credit, security agreement, purchase or sales agreement, or any other agreement, in favor of any other creditor or person that may materially affect any of Borrower's or any Grantor's property or Borrower's or any Grantor's ability to repay the Loans or perform their respective obligations under this Agreement or any of the Related Documents.

False Statements. Any warranty, representation or statement made or furnished to Lender by Borrower or on Borrower's behalf under this Agreement or the Related Documents is false or misleading in any material respect, either now or at the time made or furnished or becomes false or misleading at any time thereafter.

Insolvency. The dissolution or termination of Borrower's existence as a going business, the insolvency of Borrower, the appointment of a receiver for any part of Borrower's property, any assignment for the benefit of creditors, any type of creditor workout, or the commencement of any proceeding under any bankruptcy or insolvency laws by or against Borrower.

Defective Collateralization. This Agreement or any of the Related Documents ceases to be in full force and effect (including failure of any collateral document to create a valid and perfected security interest or lien) at any time and for any reason.

Creditor or Forfeiture Proceedings. Commencement of foreclosure or forfeiture proceedings, whether by judicial proceeding, self-help, repossession or any other method, by any creditor of Borrower or by any governmental agency against any collateral securing the Loan. This includes a garnishment of any of Borrower's accounts, including deposit accounts, with Lender. However, this Event of Default shall not apply if there is a good faith dispute by Borrower as to the validity or reasonableness of the claim which is the basis of the creditor or forfeiture proceeding and if Borrower gives Lender written notice of the creditor or forfeiture proceeding and deposits with Lender monies or a surety bond for the creditor or forfeiture proceeding, in an amount determined by Lender, in its sole discretion, as being an adequate reserve or bond for the dispute.

Events Affecting Guarantor. Any of the preceding events occurs with respect to any Guarantor of any of the Indebtedness or any Guarantor dies or becomes incompetent, or revokes or disputes the validity of, or liability under, any Guaranty of the Indebtedness.

Change in Ownership. Any change in ownership of twenty-five percent (25%) or more of the common stock of Borrower.

Adverse Change. A material adverse change occurs in Borrower's financial condition, or Lender believes the prospect of payment or performance of the Loan is impaired.

Insecurity. Lender in good faith believes itself insecure.

Change in Ownership. Any change of twenty-five percent (25%) or more in the legal or beneficial ownership of Borrower without Lender's prior written consent.

EFFECT OF AN EVENT OF DEFAULT. If any Event of Default shall occur, except where otherwise provided in this Agreement or the Related Documents, all commitments and obligations of Lender under this Agreement or the Related Documents or any other agreement immediately will terminate (including any obligation to make further Loan Advances or disbursements); and, at Lender's option, all Indebtedness immediately will become due and payable, all without notice of any kind to Borrower, except that in the case of an Event of Default of the type described in the "Insolvency" subsection above, such acceleration shall be automatic and not optional. In addition, Lender shall have all the rights and remedies provided in the Related Documents or available at law, in equity, or otherwise. Except as may be prohibited by applicable law, all of Lender's rights and remedies shall be cumulative and may be exercised singularly or concurrently. Election by Lender to pursue any remedy shall not exclude pursuit of any other remedy, and an election to make expenditures or to take action to perform an obligation of Borrower or of any Grantor shall not affect Lender's right to declare a default and to exercise its rights and remedies.

REST PERIOD. Borrower must maintain a principal balance of \$0.00 for thirty (30) consecutive days during the term of the Note.

MINIMUM FIXED CHARGE COVERAGE RATIO. Borrower shall not permit the Fixed Charge Coverage Ratio for any 12-month period ending on the last day of a fiscal year to be less than 1.50 to 1. "Fixed Charge Coverage Ratio" means, for any 12-month period, the ratio of (a) the sum of the following for such period (and without duplication): (i) Borrower's consolidated net income (or loss) for such period (excluding (A) gains (or losses) from the sale or disposition of assets outside the ordinary course of business, (B) gains (or losses) from discontinued operations, and (C) extraordinary gains (or losses)), plus (ii) to the extent deducted in determining such net income: (A) interest expense, (B) net income tax expense and (C) depreciation and amortization, minus (iii) the sum of Borrower's consolidated amounts of the following items for such period (and without duplication): (A) the aggregate capital expenditures (other than capital expenditures financed with the proceeds of purchase money debt or capital leases), plus (B) the aggregate income taxes paid or payable in cash, plus (C) the aggregate dividends, distributions, redemptions or repurchases on or with respect to Borrower's equity in each case paid in cash, plus (D) the aggregate increase in any loans and/or advances made by Borrower to any of Borrower's equity holders or affiliates divided by (b) the aggregate scheduled or required principal and interest payments during such period on Borrower's consolidated capital leases, subordinated debt and other debt.

CONTINUITY OF OPERATIONS. Borrower agrees that it shall not (A) engage in any business activities substantially different than those in which Borrower is presently engaged or (B) cease operations, liquidate, merge, transfer, acquire or consolidate with any other entity, change its name, dissolve or transfer or sell Collateral out of the ordinary course of business.

MISCELLANEOUS PROVISIONS. The following miscellaneous provisions are a part of this Agreement:

Amendments. This Agreement, together with any Related Documents, constitutes the entire understanding and agreement of the parties as to the matters set forth in this Agreement. No alteration or amendment to this Agreement shall be effective unless given in writing and signed by the party or parties sought to be charged or bound by the alteration or amendment.

Attorneys' Fees; Expenses. Borrower agrees to pay upon demand all of Lender's costs and expenses, including Lender's attorneys' fees and Lender's legal expenses, incurred in connection with the enforcement of this Agreement. Lender may hire or pay someone else to help enforce this Agreement, and Borrower shall pay the costs and expenses of such enforcement. Costs and expenses include Lender's attorneys' fees and legal expenses whether or not there is a lawsuit, including attorneys' fees and legal expenses for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), and appeals. Borrower also shall pay all court costs and such additional fees as may be directed by the court.

Caption Headings. Caption headings in this Agreement are for convenience purposes only and are not to be used to interpret or define the provisions of this Agreement.

Consent to Loan Participation. Borrower agrees and consents to Lender's sale or transfer, whether now or later, of one or more participation interests in the Loan to one or more purchasers, whether related or unrelated to Lender. Lender may provide, without any limitation whatsoever, to any one or more purchasers, or potential purchasers, any information or knowledge Lender may have about Borrower or about any other matter relating to the Loan, and Borrower hereby waives any rights to privacy Borrower may have with respect to such matters. Borrower additionally waives any and all notices of sale of participation interests, as well as all notices of any repurchase of such participation interests. Borrower also agrees that the purchasers of any such participation interests will be considered as the absolute owners of such interests in the Loan and will have all the rights granted under the participation agreement or agreements governing the sale of such participation interests. Borrower further waives all rights of offset or counterclaim that it may have now or later against Lender or against any purchaser of such a participation interest and unconditionally agrees that either Lender or such purchaser may enforce Borrower's obligation under the Loan irrespective of the failure or insolvency of any holder of any interest in the Loan. Borrower further agrees that the purchaser of any such participation interests may enforce its interests irrespective of any personal claims or defenses that Borrower may have against Lender.

Governing Law. This Agreement will be governed by federal law applicable to Lender and, to the extent not preempted by federal law, the laws of the State of Missouri without regard to its conflicts of law provisions. This Agreement has been accepted by Lender in the State of Missouri.

Choice of Venue. If there is a lawsuit, Borrower agrees upon Lender's request to submit to the jurisdiction of the courts of ST. LOUIS County, State of Missouri.

No Waiver by Lender. Lender shall not be deemed to have waived any rights under this Agreement unless such waiver is given in writing and signed by Lender. No delay or omission on the part of Lender in exercising any right shall operate as a waiver of such right or any other right. A waiver by Lender of a provision of this Agreement shall not prejudice or constitute a waiver of Lender's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by Lender, nor any course of dealing between Lender and Borrower, or between Lender and any Grantor, shall constitute a waiver of any of Lender's rights or of any of Borrower's or any Grantor's obligations as to any future transactions. Whenever the consent of Lender is required under this Agreement, the granting of such consent by Lender in any instance shall not constitute continuing consent to subsequent instances where such consent is required and in all cases such consent may be granted or withheld in the sole discretion of Lender.

Notices. Any notice required to be given under this Agreement shall be given in writing, and shall be effective when actually delivered, when actually received by facsimile (unless otherwise required by law), when deposited with a nationally recognized overnight courier, or, if mailed, when deposited in the United States mail, as first class, certified or registered mail postage prepaid, directed to the addresses shown near the beginning of this Agreement. Any party may change its address for notices under this Agreement by giving formal written notice to the other parties, specifying that the purpose of the notice is to change the party's address. For notice purposes, Borrower agrees to keep Lender informed at all times of Borrower's current address. Unless otherwise provided or required by law, if there is more than one Borrower, any notice given by Lender to any Borrower is deemed to be notice given to all Borrowers.

Severability. If a court of competent jurisdiction finds any provision of this Agreement to be illegal, invalid, or unenforceable as to any circumstance, that finding shall not make the offending provision illegal, invalid, or unenforceable as to any other circumstance. If feasible, the offending provision shall be considered modified so that it becomes legal, valid and enforceable. If the offending provision cannot be so modified, it shall be considered deleted from this Agreement. Unless otherwise required by law, the illegality, invalidity, or unenforceability of any provision of this Agreement shall not affect the legality, validity or enforceability of any other provision of this Agreement.

Subsidiaries and Affiliates of Borrower. To the extent the context of any provisions of this Agreement makes it appropriate, including without limitation any representation, warranty or covenant, the word "Borrower" as used in this Agreement shall include all of Borrower's subsidiaries and affiliates. Notwithstanding the foregoing however, under no circumstances shall this Agreement be construed to require Lender to make any Loan or other financial accommodation to any of Borrower's subsidiaries or affiliates.

Successors and Assigns. All covenants and agreements by or on behalf of Borrower contained in this Agreement or any Related Documents shall bind Borrower's successors and assigns and shall inure to the benefit of Lender and its successors and assigns. Borrower shall not, however, have the right to assign Borrower's rights under this Agreement or any interest therein, without the prior written consent of Lender.

Survival of Representations and Warranties. Borrower understands and agrees that in extending Loan Advances, Lender is relying on all representations, warranties, and covenants made by Borrower in this Agreement or in any certificate or other instrument delivered by Borrower to Lender under this Agreement or the Related Documents. Borrower further agrees that regardless of any investigation made by Lender, all such representations, warranties and covenants will survive the extension of Loan Advances and delivery to Lender of the Related Documents, shall be continuing in nature, shall be deemed made and redated by Borrower at the time each Loan Advance is made, and shall remain in full force and effect until such time as Borrower's Indebtedness shall be paid in full, or until this Agreement shall be terminated in the manner provided above, whichever is the last to occur.

2. **The Minimum EBITDA.** covenant is hereby added as follows:

Minimum EBITDA. Beginning December 31, 2020, Borrower shall not permit consolidated EBITDA for the 12-month period ending on such day to be less than \$2 million. "Consolidated EBITDA" means, for any 12-month period, the sum of the following for such period (and without duplication): (i) Borrower's consolidated net income (or loss) for such period (excluding (A) gains (or losses)), plus (ii) to the extent deducted in determining such net income: (A) interest expense, (B) net income tax expense and (C) depreciation and amortization.

CONTINUING VALIDITY. Except as expressly changed by this Modification, the terms of the Loan Agreement remain unchanged and in full force and effect and all terms, conditions and provisions thereof are hereby affirmed except as specifically modified herein. Consent by Lender to this Modification does not waive Lender's right to strict performance of the Loan Agreement as changed above, nor obligate Lender to make any future modifications. Nothing in this Modification will constitute a satisfaction of the obligations arising under the Loan Agreement or the Related Documents (as defined in the Loan Agreement). It is the intention of Lender to retain as liable parties all makers and endorsers of the original obligations under the Loan Agreement and the Related Documents, including accommodation parties, unless a party is expressly released by Lender in writing. Any maker or endorser, including accommodation makers, will not be released by virtue of this Modification. If any person who signed the original obligation does not sign this Modification below, then all persons signing below acknowledge that this Modification is given conditionally, based on the representation to Lender that the non-signing party consents to the changes and provisions of this Modification or otherwise will not be released by it. This waiver applies not only to any initial extension, modification or release, but also to all such subsequent actions.

PRIOR TO SIGNING THIS AGREEMENT, BORROWER READ AND UNDERSTOOD ALL THE PROVISIONS OF THIS AGREEMENT. BORROWER AGREES TO THE TERMS OF THE AGREEMENT.

THIS BUSINESS LOAN AGREEMENT (ASSET BASED) dated August 20, 2020, is made and executed between Benja Incorporated ("Borrower") and BUSEY BANK, AN ILLINOIS BANKING CORPORATION ("Lender") on the following terms and conditions. Borrower has received prior commercial loans from Lender or has applied to Lender for a commercial loan or loans or other financial accommodations, including those which may be described on any exhibit or schedule attached to this Agreement. Borrower understands and agrees that: (A) in granting, renewing, or extending any Loan, Lender is relying upon Borrower's representations, warranties, and agreements as set forth in this Agreement; (B) the granting, renewing, or extending of any Loan by Lender at all times shall be subject to Lender's sole judgment and discretion; and (C) all such Loans shall be and remain subject to the terms and conditions of this Agreement.

TERM. This Agreement shall be effective as of August 20, 2020, and shall continue in full force and effect until such time as all of Borrower's Loans in favor of Lender have been paid in full, including principal, interest, costs, expenses, attorneys' fees, and other fees and charges, or until such time as the parties may agree in writing to terminate this Agreement.

ADVANCE AUTHORITY. The following person or persons are authorized to request advances and authorize payments under the line of credit until Lender receives from Borrower, at Lender's address shown above, written notice of revocation of such authority: Andrew J. Chapin, President/Secretary of Benja Incorporated and such other persons as may be designated in writing by any previously authorized person or persons in accordance with Borrower's resolutions.

LINE OF CREDIT. Lender agrees to make Advances to Borrower from time to time from the date of this Agreement to the Expiration Date, provided the aggregate amount of such Advances outstanding at any time does not exceed the Borrowing Base. Within the foregoing limits, Borrower may borrow, partially or wholly prepay, and reborrow under this Agreement as follows:

Conditions Precedent to Each Advance. Lender's obligation to make any Advance to or for the account of Borrower under this Agreement is subject to the following conditions precedent, with all documents, instruments, opinions, reports, and other items required under this Agreement to be in form and substance satisfactory to Lender:

- (1) Lender shall have received evidence that this Agreement and all Related Documents have been duly authorized, executed, and delivered by Borrower to Lender.
- (2) Lender shall have received such opinions of counsel, supplemental opinions, and documents as Lender may request.
- (3) The security interests in the Collateral shall have been duly authorized, created, and perfected with first lien priority and shall be in full force and effect.
- (4) All guaranties required by Lender for the credit facility(ies) shall have been executed by each Guarantor, delivered to Lender, and be in full force and effect.
- (5) Lender, at its option and for its sole benefit, shall have conducted an audit of Borrower's Accounts, books, records, and operations, and Lender shall be satisfied as to their condition.
- (6) Borrower shall have paid to Lender all fees, costs, and expenses specified in this Agreement and the Related Documents as are then due and payable.
- (7) There shall not exist at the time of any Advance a condition which would constitute an Event of Default under this Agreement, and Borrower shall have delivered to Lender the compliance certificate called for in the paragraph below titled "Compliance Certificate."

Making Loan Advances. Advances under this credit facility, as well as directions for payment from Borrower's accounts, may be requested orally or in writing by authorized persons. Lender may, but need not, require that all oral requests be confirmed in writing. Each Advance shall be conclusively deemed to have been made at the request of and for the benefit of Borrower (1) when credited to any deposit account of Borrower maintained with Lender or (2) when advanced in accordance with the instructions of an authorized person. Lender, at its option, may set a cutoff time, after which all requests for Advances will be treated as having been requested on the next succeeding Business Day.

Mandatory Loan Repayments. If at any time the aggregate principal amount of the outstanding Advances shall exceed the applicable Borrowing Base, Borrower, immediately upon written or oral notice from Lender, shall pay to Lender an amount equal to the difference between the outstanding principal balance of the Advances and the Borrowing Base. On the Expiration Date, Borrower shall pay to Lender in full the aggregate unpaid principal amount of all Advances then outstanding and all accrued unpaid interest, together with all other applicable fees, costs and charges, if any, not yet paid.

Loan Account. Lender shall maintain on its books a record of account in which Lender shall make entries for each Advance and such other debits and credits as shall be appropriate in connection with the credit facility. Lender shall provide Borrower with periodic statements of Borrower's account, which statements shall be considered to be correct and conclusively binding on Borrower unless Borrower notifies Lender to the contrary within thirty (30) days after Borrower's receipt of any such statement which Borrower deems to be incorrect.

COLLATERAL. To secure payment of the Primary Credit Facility and performance of all other Loans, obligations and duties owed by Borrower to Lender, Borrower (and others, if required) shall grant to Lender Security Interests in such property and assets as Lender may require. Lender's Security Interests in the Collateral shall be continuing liens and shall include the proceeds and products of the Collateral, including without

Any inspections or tests made by Lender shall be at Borrower's expense and for Lender's purposes only and shall not be construed to create any responsibility or liability on the part of Lender to Borrower or to any other person. The representations and warranties contained herein are based on Borrower's due diligence in investigating the Collateral for hazardous waste and Hazardous Substances. Borrower hereby (1) releases and waives any future claims against Lender for indemnity or contribution in the event Borrower becomes liable for cleanup or other costs under any such laws, and (2) agrees to indemnify, defend, and hold harmless Lender against any and all claims, losses, liabilities, damages, penalties, and expenses which Lender may directly or indirectly sustain or suffer resulting from a breach of this section of the Agreement or as a consequence of any use, generation, manufacture, storage, disposal, release or threatened release of a hazardous waste or substance on the Collateral. The provisions of this section of the Agreement, including the obligation to indemnify and defend, shall survive the payment of the Indebtedness and the termination, expiration or satisfaction of this Agreement and shall not be affected by Lender's acquisition of any interest in any of the Collateral, whether by foreclosure or otherwise.

All such permits have been legally and validly obtained and are in full force and effect, no suspension or cancellation of such permit is pending or has been threatened, and there is no fact, event or condition which would cause any such permit not to be renewed upon expiration, except where failure to maintain any such permit could not reasonably be expected to have a material adverse effect on Borrower's financial condition.

Accuracy of Information. No information provided to Lender by or on behalf of Borrower or any Guarantor contains any untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary in order to make the statements contained therein, in light of the circumstances under which they were made, not misleading. There is no material fact known to Borrower or any Guarantor which has not been disclosed in writing to Lender, which has or, insofar as a Borrower or any Guarantor can reasonably foresee, is likely to have a material adverse effect on the financial condition of Borrower or any Guarantor. The provisions of this section of the Agreement, including the obligation to indemnify and defend, shall survive the payment of the Indebtedness and the termination, expiration or satisfaction of this Agreement and shall not be affected by Lender's acquisition of any interest in any of the Collateral, whether by foreclosure or otherwise.

RECOVERY OF ADDITIONAL COSTS. If the imposition of or any change in any law, rule, regulation, guideline, or generally accepted accounting principle, or the interpretation or application of any thereof by any court, administrative or governmental authority, or standard-setting organization (including any request or policy not having the force of law) shall impose, modify or make applicable any taxes (except federal, state or local income or franchise taxes imposed on Lender), reserve requirements, capital adequacy requirements or other obligations which would (A) increase the cost to Lender for extending or maintaining the credit facilities to which this Agreement relates, (B) reduce the amounts payable to Lender under this Agreement or the Related Documents, or (C) reduce the rate of return on Lender's capital as a consequence of Lender's obligations with respect to the credit facilities to which this Agreement relates, then Borrower agrees to pay Lender such additional amounts as will compensate Lender therefor, within five (5) days after Lender's written demand for such payment, which demand shall be accompanied by an explanation of such imposition or charge and a calculation in reasonable detail of the additional amounts payable by Borrower, which explanation and calculations shall be conclusive in the absence of manifest error.

LENDER'S EXPENDITURES. If any action or proceeding is commenced that would materially affect Lender's interest in the Collateral or if Borrower fails to comply with any provision of this Agreement or any Related Documents, including but not limited to Borrower's failure to discharge or pay when due any amounts Borrower is required to discharge or pay under this Agreement or any Related Documents, Lender on Borrower's behalf may (but shall not be obligated to) take any action that Lender deems appropriate, including but not limited to discharging or paying all taxes, liens, security interests, encumbrances and other claims, at any time levied or placed on any Collateral and paying all costs for insuring, maintaining and preserving any Collateral. All such expenditures incurred or paid by Lender for such purposes will then bear interest at the rate charged under the Note from the date incurred or paid by Lender to the date of repayment by Borrower. All such expenses will become a part of the Indebtedness and, at Lender's option, will (A) be payable on demand; (B) be added to the balance of the Note and be apportioned among and be payable with any installment payments to become due during either (1) the term of any applicable insurance policy; or (2) the remaining term of the Note; or (C) be treated as a balloon payment which will be due and payable at the Note's maturity.

NEGATIVE COVENANTS. Borrower covenants and agrees with Lender that while this Agreement is in effect, Borrower shall not, without the prior written consent of Lender:

Indebtedness and Liens. (1) Except for trade debt incurred in the normal course of business and indebtedness to Lender contemplated by this Agreement, create, incur or assume indebtedness for borrowed money, including capital leases, (2) sell, transfer, mortgage, assign, pledge, lease, grant a security interest in, or encumber any of Borrower's assets (except as allowed as Permitted Liens), or (3) sell with recourse any of Borrower's accounts, except to Lender.

Loans, Acquisitions and Guarantees. (1) Loan, invest in or advance money or assets to any other person, enterprise or entity, (2) purchase, create or acquire any interest in any other enterprise or entity, or (3) incur any obligation as surety or guarantor other than in the ordinary course of business.

Agreements. Enter into any agreement containing any provisions which would be violated or breached by the performance of Borrower's obligations under this Agreement or in connection herewith.

CESSATION OF ADVANCES. If Lender has made any commitment to make any Loan to Borrower, whether under this Agreement or under any other agreement, Lender shall have no obligation to make Loan Advances or to disburse Loan proceeds if: (A) Borrower or any Guarantor is in default under the terms of this Agreement or any of the Related Documents or any other agreement that Borrower or any Guarantor has with Lender; (B) Borrower or any Guarantor dies, becomes incompetent or becomes insolvent, files a petition in bankruptcy or similar proceedings, or is adjudged a bankrupt; (C) there occurs a material adverse change in Borrower's financial condition, in the financial condition of any Guarantor, or in the value of any Collateral securing any Loan; or (D) any Guarantor seeks, claims or otherwise attempts to limit, modify or revoke such Guarantor's guaranty of the Loan or any other loan with Lender; or (E) Lender in good faith deems itself insecure, even though no Event of Default shall have occurred.

checking, savings, or some other account). This includes all accounts Borrower holds jointly with someone else and all accounts Borrower may open in the future. However, this does not include any IRA or Keogh accounts, or any trust accounts for which setoff would be prohibited by law. Borrower authorizes Lender, to the extent permitted by applicable law, to charge or setoff all sums owing on the debt against any and all such accounts, and, at Lender's option, to administratively freeze all such accounts to allow Lender to protect Lender's charge and setoff rights provided in this paragraph.

DEFAULT. Each of the following shall constitute an Event of Default under this Agreement:

Payment Default. Borrower fails to make any payment when due under the Loan.

Other Defaults. Borrower fails to comply with or to perform any other term, obligation, covenant or condition contained in this Agreement or in any of the Related Documents or to comply with or to perform any term, obligation, covenant or condition contained in any other agreement between Lender and Borrower.

Default in Favor of Third Parties. Borrower or any Grantor defaults under any loan, extension of credit, security agreement, purchase or sales agreement, or any other agreement, in favor of any other creditor or person that may materially affect any of Borrower's or any Grantor's property or Borrower's or any Grantor's ability to repay the Loans or perform their respective obligations under this Agreement or any of the Related Documents.

False Statements. Any warranty, representation or statement made or furnished to Lender by Borrower or on Borrower's behalf under this Agreement or the Related Documents is false or misleading in any material respect, either now or at the time made or furnished or becomes false or misleading at any time thereafter.

Insolvency. The dissolution or termination of Borrower's existence as a going business, the insolvency of Borrower, the appointment of a receiver for any part of Borrower's property, any assignment for the benefit of creditors, any type of creditor workout, or the commencement of any proceeding under any bankruptcy or insolvency laws by or against Borrower.

Defective Collateralization. This Agreement or any of the Related Documents ceases to be in full force and effect (including failure of any collateral document to create a valid and perfected security interest or lien) at any time and for any reason.

Creditor or Forfeiture Proceedings. Commencement of foreclosure or forfeiture proceedings, whether by judicial proceeding, self-help, repossession or any other method, by any creditor of Borrower or by any governmental agency against any collateral securing the Loan. This includes a garnishment of any of Borrower's accounts, including deposit accounts, with Lender. However, this Event of Default shall not apply if there is a good faith dispute by Borrower as to the validity or reasonableness of the claim which is the basis of the creditor or forfeiture proceeding and if Borrower gives Lender written notice of the creditor or forfeiture proceeding and deposits with Lender monies or a surety bond for the creditor or forfeiture proceeding, in an amount determined by Lender, in its sole discretion, as being an adequate reserve or bond for the dispute.

Events Affecting Guarantor. Any of the preceding events occurs with respect to any Guarantor of any of the Indebtedness or any Guarantor dies or becomes incompetent, or revokes or disputes the validity of, or liability under, any Guaranty of the Indebtedness.

Change in Ownership. Any change in ownership of twenty-five percent (25%) or more of the common stock of Borrower.

Adverse Change. A material adverse change occurs in Borrower's financial condition, or Lender believes the prospect of payment or performance of the Loan is impaired.

Insecurity. Lender in good faith believes itself insecure.

Change in Ownership. Any change of twenty-five percent (25%) or more in the legal or beneficial ownership of Borrower without Lender's prior written consent.

EFFECT OF AN EVENT OF DEFAULT. If any Event of Default shall occur, except where otherwise provided in this Agreement or the Related Documents, all commitments and obligations of Lender under this Agreement or the Related Documents or any other agreement immediately will terminate (including any obligation to make further Loan Advances or disbursements), and, at Lender's option, all Indebtedness immediately will become due and payable, all without notice of any kind to Borrower, except that in the case of an Event of Default of the type described in the "Insolvency" subsection above, such acceleration shall be automatic and not optional. In addition, Lender shall have all the rights and remedies provided in the Related Documents or available at law, in equity, or otherwise. Except as may be prohibited by applicable law, all of Lender's rights and remedies shall be cumulative and may be exercised singularly or concurrently. Election by Lender to pursue any remedy shall not exclude pursuit of any other remedy, and an election to make expenditures or to take action to perform an obligation of Borrower or of any Grantor shall not affect Lender's right to declare a default and to exercise its rights and remedies.

REST PERIOD. Borrower must maintain a principal balance of \$0.00 for thirty (30) consecutive days during the term of the Note.

MINIMUM FIXED CHARGE COVERAGE RATIO. Borrower shall not permit the Fixed Charge Coverage Ratio for any 12-month period ending on the last day of a fiscal year to be less than 2.00 to 1. "Fixed Charge Coverage Ratio" means, for any 12-month period, the ratio of (a) the sum of the following for such period (and without duplication): (i) Borrower's consolidated net income (or loss) for such period (excluding (A) gains (or losses) from the sale or disposition of assets outside the ordinary course of business, (B) gains (or losses) from discontinued operations, and (C) extraordinary gains (or losses)), plus (ii) to the extent deducted in determining such net income: (A) interest expense, (B) net income tax expense and (C) depreciation and amortization, minus (iii) the sum of Borrower's consolidated amounts of the following items for such period (and without duplication): (A) the aggregate capital expenditures (other than capital expenditures financed with the proceeds of purchase money debt or capital leases), plus (B) the aggregate income taxes paid or payable in cash, plus (C) the aggregate dividends, distributions, redemptions or repurchases on or with respect to Borrower's equity in each case paid in cash, plus (D) the aggregate increase in any loans and/or advances made by Borrower to any of Borrower's equity holders or affiliates divided by (b) the aggregate scheduled or required principal and interest payments during such period on Borrower's consolidated capital leases, subordinated debt and other debt.

CONTINUITY OF OPERATIONS. Borrower agrees that it shall not (A) engage in any business activities substantially different than those in which Borrower is presently engaged or (B) cease operations, liquidate, merge, transfer, acquire or consolidate with any other entity, change its name, dissolve or transfer or sell Collateral out of the ordinary course of business.

MINIMUM EBITDA. Borrower shall not permit Consolidated EBITDA for any 12-month period ending on the last day of a fiscal year to be less than \$2,000,000.00. "Consolidated EBITDA" means, for any 12-month period, the sum of the following for such period (and without duplication): (i) Borrower's consolidated net income (or loss) for such period (excluding (A) gains (or losses) from the sale or disposition of assets outside the ordinary course of business, (B) gains (or losses) from discontinued operations, and (C) extraordinary gains (or losses)), plus (ii) to the extent deducted in determining such net income: (A) interest expense, (B) net income tax expense and (C) depreciation and amortization.

Amendments. This Agreement, together with any Related Documents, constitutes the entire understanding and agreement of the parties as to the matters set forth in this Agreement. No alteration of or amendment to this Agreement shall be effective unless given in writing and signed by the party or parties sought to be charged or bound by the alteration or amendment.

Attorneys' Fees; Expenses. Borrower agrees to pay upon demand all of Lender's costs and expenses, including Lender's attorneys' fees and Lender's legal expenses, incurred in connection with the enforcement of this Agreement. Lender may hire or pay someone else to help enforce this Agreement, and Borrower shall pay the costs and expenses of such enforcement. Costs and expenses include Lender's attorneys' fees and legal expenses whether or not there is a lawsuit, including attorneys' fees and legal expenses for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), and appeals. Borrower also shall pay all court costs and such additional fees as may be directed by the court.

Caption Headings. Caption headings in this Agreement are for convenience purposes only and are not to be used to interpret or define the provisions of this Agreement.

Consent to Loan Participation. Borrower agrees and consents to Lender's sale or transfer, whether now or later, of one or more participation interests in the Loan to one or more purchasers, whether related or unrelated to Lender. Lender may provide, without any limitation whatsoever, to any one or more purchasers, or potential purchasers, any information or knowledge Lender may have about Borrower or about any other matter relating to the Loan, and Borrower hereby waives any rights to privacy Borrower may have with respect to such matters. Borrower additionally waives any and all notices of sale of participation interests, as well as all notices of any repurchase of such participation interests. Borrower also agrees that the purchasers of any such participation interests will be considered as the absolute owners of such interests in the Loan and will have all the rights granted under the participation agreement or agreements governing the sale of such participation interests. Borrower further waives all rights of offset or counterclaim that it may have now or later against Lender or against any purchaser of such a participation interest and unconditionally agrees that either Lender or such purchaser may enforce Borrower's obligation under the Loan irrespective of the failure or insolvency of any holder of any interest in the Loan. Borrower further agrees that the purchaser of any such participation interests may enforce its interests irrespective of any personal claims or defenses that Borrower may have against Lender.

Governing Law. This Agreement will be governed by federal law applicable to Lender and, to the extent not preempted by federal law, the laws of the State of Missouri without regard to its conflicts of law provisions. This Agreement has been accepted by Lender in the State of Missouri.

Choice of Venue. If there is a lawsuit, Borrower agrees upon Lender's request to submit to the jurisdiction of the courts of ST. LOUIS County, State of Missouri.

No Waiver by Lender. Lender shall not be deemed to have waived any rights under this Agreement unless such waiver is given in writing and signed by Lender. No delay or omission on the part of Lender in exercising any right shall operate as a waiver of such right or any other right. A waiver by Lender of a provision of this Agreement shall not prejudice or constitute a waiver of Lender's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by Lender, nor any course of dealing between Lender and Borrower, or between Lender and any Grantor, shall constitute a waiver of any of Lender's rights or of any of Borrower's or any Grantor's obligations as to any future transactions. Whenever the consent of Lender is required under this Agreement, the granting of such consent by Lender in any instance shall not constitute continuing consent to subsequent instances where such consent is required and in all cases such consent may be granted or withheld in the sole discretion of Lender.

Notices. Any notice required to be given under this Agreement shall be given in writing, and shall be effective when actually delivered, when actually received by telefacsimile (unless otherwise required by law), when deposited with a nationally recognized overnight courier, or, if mailed, when deposited in the United States mail, as first class, certified or registered mail postage prepaid, directed to the addresses shown near the beginning of this Agreement. Any party may change its address for notices under this Agreement by giving formal written notice to the other parties, specifying that the purpose of the notice is to change the party's address. For notice purposes, Borrower agrees to keep Lender informed at all times of Borrower's current address. Unless otherwise provided or required by law, if there is more than one Borrower, any notice given by Lender to any Borrower is deemed to be notice given to all Borrowers.

Severability. If a court of competent jurisdiction finds any provision of this Agreement to be illegal, invalid, or unenforceable as to any circumstance, that finding shall not make the offending provision illegal, invalid, or unenforceable as to any other circumstance. If feasible, the offending provision shall be considered modified so that it becomes legal, valid and enforceable. If the offending provision cannot be so modified, it shall be considered deleted from this Agreement. Unless otherwise required by law, the illegality, invalidity, or unenforceability of any provision of this Agreement shall not affect the legality, validity or enforceability of any other provision of this Agreement.

Subsidiaries and Affiliates of Borrower. To the extent the context of any provisions of this Agreement makes it appropriate, including without limitation any representation, warranty or covenant, the word "Borrower" as used in this Agreement shall include all of Borrower's subsidiaries and affiliates. Notwithstanding the foregoing however, under no circumstances shall this Agreement be construed to require Lender to make any Loan or other financial accommodation to any of Borrower's subsidiaries or affiliates.

Successors and Assigns. All covenants and agreements by or on behalf of Borrower contained in this Agreement or any Related Documents shall bind Borrower's successors and assigns and shall inure to the benefit of Lender and its successors and assigns. Borrower shall not, however, have the right to assign Borrower's rights under this Agreement or any interest therein, without the prior written consent of Lender.

Survival of Representations and Warranties. Borrower understands and agrees that in extending Loan Advances, Lender is relying on all representations, warranties, and covenants made by Borrower in this Agreement or in any certificate or other instrument delivered by Borrower to Lender under this Agreement or the Related Documents. Borrower further agrees that regardless of any investigation made by Lender, all such representations, warranties and covenants will survive the extension of Loan Advances and delivery to Lender of the Related Documents, shall be continuing in nature, shall be deemed made and redated by Borrower at the time each Loan Advance is made, and shall remain in full force and effect until such time as Borrower's Indebtedness shall be paid in full, or until this Agreement shall be terminated in the manner provided above, whichever is the last to occur.

Time is of the Essence. Time is of the essence in the performance of this Agreement.

- (D) All proceeds (including insurance proceeds) from the sale, destruction, loss, or other disposition of any of the property described in this Collateral section, and sums due from a third party who has damaged or destroyed the Collateral or from that party's insurer, whether due to judgment, settlement or other process.
- (E) All records and data relating to any of the property described in this Collateral section, whether in the form of a writing, photograph, microfilm, microfiche, or electronic media, together with all of Grantor's right, title, and interest in and to all computer software required to utilize, create, maintain, and process any such records or data on electronic media.

CROSS-COLLATERALIZATION. In addition to the Note, this Agreement secures all obligations, debts and liabilities, plus interest thereon, of Grantor to Lender, or any one or more of them, as well as all claims by Lender against Grantor or any one or more of them, whether now existing or hereafter arising, whether related or unrelated to the purpose of the Note, whether voluntary or otherwise, whether due or not due, direct or indirect, determined or undetermined, absolute or contingent, liquidated or unliquidated, whether Grantor may be liable individually or jointly with others, whether obligated as guarantor, surety, accommodation party or otherwise, and whether recovery upon such amounts may be or hereafter may become barred by any statute of limitations, and whether the obligation to repay such amounts may be or hereafter may become otherwise unenforceable.

FUTURE ADVANCES. In addition to the Note, this Agreement secures all future advances made by Lender to Grantor regardless of whether the advances are made a) pursuant to a commitment or b) for the same purposes.

RIGHT OF SETOFF. To the extent permitted by applicable law, Lender reserves a right of setoff in all Grantor's accounts with Lender (whether checking, savings, or some other account). This includes all accounts Grantor holds jointly with someone else and all accounts Grantor may open in the future. However, this does not include any IRA or Keogh accounts, or any trust accounts for which setoff would be prohibited by law. Grantor authorizes Lender, to the extent permitted by applicable law, to charge or setoff all sums owing on the Indebtedness against any and all such accounts, and, at Lender's option, to administratively freeze all such accounts to allow Lender to protect Lender's charge and setoff rights provided in this paragraph.

GRANTOR'S REPRESENTATIONS AND WARRANTIES WITH RESPECT TO THE COLLATERAL. With respect to the Collateral, Grantor represents

and promises to Lender that:

Perfection of Security Interest. Grantor agrees to take whatever actions are requested by Lender to perfect and continue Lender's security interest in the Collateral. Upon request of Lender, Grantor will deliver to Lender any and all of the documents evidencing or constituting the Collateral, and Grantor will note Lender's interest upon any and all chattel paper and instruments if not delivered to Lender for possession by Lender. This is a continuing Security Agreement and will continue in effect even though all or any part of the Indebtedness is paid in full and even though for a period of time Grantor may not be indebted to Lender.

Notices to Lender. Grantor will promptly notify Lender in writing at Lender's address shown above (or such other addresses as Lender may designate from time to time) prior to any: (1) change in Grantor's name; (2) change in Grantor's assumed business name(s); (3) change in the management of the Corporation Grantor; (4) change in the authorized signer(s); (5) change in Grantor's principal office address; (6) change in Grantor's state of organization; (7) conversion of Grantor to a new or different type of business entity; or (8) change in any other aspect of Grantor that directly or indirectly relates to any agreements between Grantor and Lender. No change in Grantor's name or state of organization will take effect until after Lender has received notice.

No Violation. The execution and delivery of this Agreement will not violate any law or agreement governing Grantor or to which Grantor is a party, and its certificate or articles of incorporation and bylaws do not prohibit any term or condition of this Agreement.

Enforceability of Collateral. To the extent the Collateral consists of accounts, chattel paper, or general intangibles, as defined by the Uniform Commercial Code, the Collateral is enforceable in accordance with its terms, is genuine, and fully complies with all applicable laws and regulations concerning form, content and manner of preparation and execution, and all persons appearing to be obligated on the Collateral have authority and capacity to contract and are in fact obligated as they appear to be on the Collateral. At the time any account becomes subject to a security interest in favor of Lender, the account shall be a good and valid account representing an undisputed, bona fide indebtedness incurred by the account debtor, for merchandise held subject to delivery instructions or previously shipped or delivered pursuant to a contract of sale, or for services previously performed by Grantor with or for the account debtor. So long as this Agreement remains in effect, Grantor shall not, without Lender's prior written consent, compromise, settle, adjust, or extend payment under or with regard to any such Accounts. There shall be no setoffs or counterclaims against any of the Collateral, and no agreement shall have been made under which any deductions or discounts may be claimed concerning the Collateral except those disclosed to Lender in writing.

Location of the Collateral. Except in the ordinary course of Grantor's business, Grantor agrees to keep the Collateral (or to the extent the Collateral consists of intangible property such as accounts or general intangibles, the records concerning the Collateral) at Grantor's address shown above or at such other locations as are acceptable to Lender. Upon Lender's request, Grantor will deliver to Lender in form satisfactory to Lender a schedule of real properties and Collateral locations relating to Grantor's operations, including without limitation the following: (1) all real property Grantor owns or is purchasing; (2) all real property Grantor is renting or leasing; (3) all storage facilities Grantor owns, rents, leases, or uses; and (4) all other properties where Collateral is or may be located.

Removal of the Collateral. Except in the ordinary course of Grantor's business, including the sales of inventory, Grantor shall not remove the Collateral from its existing location without Lender's prior written consent. To the extent that the Collateral consists of vehicles, or other titled property, Grantor shall not take or permit any action which would require application for certificates of title for the vehicles outside the State of Missouri, without Lender's prior written consent. Grantor shall, whenever requested, advise Lender of the exact location of the Collateral.

Transactions Involving Collateral. Except for inventory sold or accounts collected in the ordinary course of Grantor's business, or as otherwise provided for in this Agreement, Grantor shall not sell, offer to sell, or otherwise transfer or dispose of the Collateral. While Grantor is not in default under this Agreement, Grantor may sell inventory, but only in the ordinary course of its business and only to buyers who qualify as a buyer in the ordinary course of business. A sale in the ordinary course of Grantor's business does not include a transfer in partial or total satisfaction of a debt or any bulk sale. Grantor shall not pledge, mortgage, encumber or otherwise permit the Collateral to be subject to any lien, security interest, encumbrance, or charge, other than the security interest provided for in this Agreement, without the prior written consent of Lender. This includes security interests even if junior in right to the security interests granted under this Agreement. Unless waived by Lender, all proceeds from any disposition of the Collateral (for whatever reason) shall be held in trust for Lender and shall not be commingled with any other funds; provided however, this requirement shall not constitute consent by Lender to any sale or other disposition. Upon receipt, Grantor shall immediately deliver any such proceeds to Lender.

Title. Grantor represents and warrants to Lender that Grantor holds good and marketable title to the Collateral, free and clear of all liens and encumbrances except for the lien of this Agreement. No financing statement covering any of the Collateral is on file in any public office other than those which reflect the security interest created by this Agreement or to which Lender has specifically consented. Grantor shall defend Lender's rights in the Collateral against the claims and demands of all other persons.

Repair and Maintenance. Grantor agrees to keep and maintain, and to cause others to keep and maintain, the Collateral in good order, repair and condition at all times while this Agreement remains in effect. Grantor further agrees to pay when due all claims for work done on, or services rendered or material furnished in connection with the Collateral so that no lien or encumbrance may ever attach to or be filed against the Collateral.

Inspection of Collateral. Lender and Lender's designated representatives and agents shall have the right at all reasonable times to examine and inspect the Collateral wherever located.

Taxes, Assessments and Liens. Grantor will pay when due all taxes, assessments and liens upon the Collateral, its use or operation, upon this Agreement, upon any promissory note or notes evidencing the Indebtedness, or upon any of the other Related Documents. Grantor may withhold any such payment or may elect to contest any lien if Grantor is in good faith conducting an appropriate proceeding to contest the obligation to pay and so long as Lender's interest in the Collateral is not jeopardized in Lender's sole opinion. If the Collateral is subjected to a lien which is not discharged within fifteen (15) days, Grantor shall deposit with Lender cash, a sufficient corporate surety bond or other security satisfactory to Lender in an amount adequate to provide for the discharge of the lien plus any interest, costs, attorneys' fees or other charges that could accrue as a result of foreclosure or sale of the Collateral. In any contest Grantor shall defend itself and Lender and shall satisfy any final adverse judgment before enforcement against the Collateral. Grantor shall name Lender as an additional obligee under any surety bond furnished in the contest proceedings. Grantor further agrees to furnish Lender with evidence that such taxes, assessments, and governmental and other charges have been paid in full and in a timely manner. Grantor may withhold any such payment or may elect to contest any lien if Grantor is in good faith conducting an appropriate proceeding to contest the obligation to pay and so long as Lender's interest in the Collateral is not jeopardized.

Compliance with Governmental Requirements. Grantor shall comply promptly with all laws, ordinances, rules and regulations of all governmental authorities, now or hereafter in effect, applicable to the ownership, production, disposition, or use of the Collateral, including all laws or regulations relating to the undue erosion of highly-erodible land or relating to the conversion of wetlands for the production of an agricultural product or commodity. Grantor may contest in good faith any such law, ordinance or regulation and withhold compliance during any proceeding, including appropriate appeals, so long as Lender's interest in the Collateral, in Lender's opinion, is not jeopardized.

COMMERCIAL SECURITY AGREEMENT

Hazardous Substances. Grantor represents and warrants that the Collateral never has been, and never will be so long as this Agreement remains a lien on the Collateral, used in violation of any Environmental Laws or for the generation, manufacture, storage, transportation, treatment, disposal, release or threatened release of any Hazardous Substance. The representations and warranties contained herein are based on Grantor's due diligence in investigating the Collateral for Hazardous Substances. Grantor hereby (1) releases and waives any future claims against Lender for indemnity or contribution in the event Grantor becomes liable for cleanup or other costs under any Environmental Laws, and (2) agrees to indemnify, defend, and hold harmless Lender against any and all claims and losses resulting from a breach of this provision of this Agreement. This obligation to indemnify and defend shall survive the payment of the Indebtedness and the satisfaction of this Agreement.

Maintenance of Casualty Insurance. Grantor shall procure and maintain all risks insurance, including without limitation fire, theft and liability coverage together with such other insurance as Lender may require with respect to the Collateral, in form, amounts, coverages and basis reasonably acceptable to Lender and issued by a company or companies reasonably acceptable to Lender. Grantor, upon request of Lender, will deliver to Lender from time to time the policies or certificates of insurance in form satisfactory to Lender, including stipulations that coverages will not be cancelled or diminished without at least thirty (30) days' prior written notice to Lender and not including any disclaimer of the insurer's liability for failure to give such a notice. Each insurance policy also shall include an endorsement providing that coverage in favor of Lender will not be impaired in any way by any act, omission or default of Grantor or any other person. In connection with all policies covering assets in which Lender holds or is offered a security interest, Grantor will provide Lender with such loss payable or other endorsements as Lender may require. If Grantor at any time fails to obtain or maintain any insurance as required under this Agreement, Lender may (but shall not be obligated to) obtain such insurance as Lender deems appropriate, including if Lender so chooses "single interest insurance," which will cover only Lender's interest in the Collateral.

Application of Insurance Proceeds. Grantor shall promptly notify Lender of any loss or damage to the Collateral, whether or not such casualty or loss is covered by insurance. Lender may make proof of loss if Grantor fails to do so within fifteen (15) days of the casualty. All proceeds of any insurance on the Collateral, including accrued proceeds thereon, shall be held by Lender as part of the Collateral. If Lender consents to repair or replacement of the damaged or destroyed Collateral, Lender shall, upon satisfactory proof of expenditure, pay or reimburse Grantor from the proceeds for the reasonable cost of repair or restoration. If Lender does not consent to repair or replacement of the Collateral, Lender shall retain a sufficient amount of the proceeds to pay all of the Indebtedness, and shall pay the balance to Grantor. Any proceeds which have not been disbursed within six (6) months after their receipt and which Grantor has not committed to the repair or restoration of the Collateral shall be used to prepay the Indebtedness.

Insurance Reserves. Lender may require Grantor to maintain with Lender reserves for payment of insurance premiums, which reserves shall be created by monthly payments from Grantor of a sum estimated by Lender to be sufficient to produce, at least fifteen (15) days before the premium due date, amounts at least equal to the insurance premiums to be paid. If fifteen (15) days before payment is due, the reserve funds are insufficient, Grantor shall upon demand pay any deficiency to Lender. The reserve funds shall be held by Lender as a general deposit and shall constitute a non-interest-bearing account which Lender may satisfy by payment of the insurance premiums required to be paid by Grantor as they become due. Lender does not hold the reserve funds in trust for Grantor, and Lender is not the agent of Grantor for payment of the insurance premiums required to be paid by Grantor. The responsibility for the payment of premiums shall remain Grantor's sole responsibility.

Insurance Reports. Grantor, upon request of Lender, shall furnish to Lender reports on each existing policy of insurance showing such information as Lender may reasonably request including the following: (1) the name of the insurer; (2) the risks insured; (3) the amount of the policy; (4) the property insured; (5) the then current value on the basis of which insurance has been obtained and the manner of determining that value; and (6) the expiration date of the policy. In addition, Grantor shall upon request by Lender (however not more often than annually) have an independent appraiser satisfactory to Lender determine, as applicable, the cash value or replacement cost of the Collateral.

Financing Statements. Grantor authorizes Lender to file a UCC financing statement, or alternatively, a copy of this Agreement to perfect Lender's security interest. At Lender's request, Grantor additionally agrees to sign all other documents that are necessary to perfect, protect, and continue Lender's security interest in the Property. Grantor will pay all filing fees, title transfer fees, and other fees and costs involved unless prohibited by law or unless Lender is required by law to pay such fees and costs. Grantor irrevocably appoints Lender to execute documents necessary to transfer title if there is a default. Lender may file a copy of this Agreement as a financing statement.

GRANTOR'S RIGHT TO POSSESSION AND TO COLLECT ACCOUNTS. Until default and except as otherwise provided below with respect to accounts, Grantor may have possession of the tangible personal property and beneficial use of all the Collateral and may use it in any lawful manner not inconsistent with this Agreement or the Related Documents, provided that Grantor's right to possession and beneficial use shall not apply to any Collateral where possession of the Collateral by Lender is required by law to perfect Lender's security interest in such Collateral. Until otherwise notified by Lender, Grantor may collect any of the Collateral consisting of accounts. At any time and even though no Event of Default exists, Lender may exercise its rights to collect the accounts and to notify account debtors to make payment directly to Lender for application to the Indebtedness. If Lender at any time has possession of any Collateral, whether before or after an Event of Default, Lender shall be deemed to have exercised reasonable care in the custody and preservation of the Collateral if Lender takes such action for that purpose as Grantor shall request or as Lender, in Lender's sole discretion, shall deem appropriate under the circumstances, but failure to honor any request by Grantor shall not of itself be deemed to be a failure to exercise reasonable care. Lender shall not be required to take any steps necessary to preserve any rights in the Collateral against prior parties, nor to protect, preserve or maintain any security interest given to secure the Indebtedness.

LENDER'S EXPENDITURES. If any action or proceeding is commenced that would materially affect Lender's interest in the Collateral or if Grantor fails to comply with any provision of this Agreement or any Related Documents, including but not limited to Grantor's failure to discharge or pay when due any amounts Grantor is required to discharge or pay under this Agreement or any Related Documents, Lender on Grantor's behalf may (but shall not be obligated to) take any action that Lender deems appropriate, including but not limited to discharging or paying all taxes, liens, security interests, encumbrances and other claims, at any time levied or placed on the Collateral and paying all costs for insuring, maintaining and preserving the Collateral. All such expenditures incurred or paid by Lender for such purposes will then bear interest at the rate charged under the Note from the date incurred or paid by Lender to the date of repayment by Grantor. All such expenses will become a part of the Indebtedness and, at Lender's option, will (A) be payable on demand; (B) be added to the balance of the Note and be apportioned among and be payable with any installment payments to become due during either (1) the term of any applicable insurance policy; or (2) the remaining term of the Note; or (C) be treated as a balloon payment which will be due and payable at the Note's maturity. The Agreement also will secure payment of these amounts. Such right shall be in addition to all other rights and remedies to which Lender may be entitled upon Default.

REINSTATEMENT OF SECURITY INTEREST. If payment is made by Grantor, whether voluntarily or otherwise, or by guarantor or by any third party, on the Indebtedness and thereafter Lender is forced to remit the amount of that payment (A) to Grantor's trustee in bankruptcy or to any similar person under any federal or state bankruptcy law or law for the relief of debtors, (B) by reason of any judgment, decree or order of any court or administrative body having jurisdiction over Lender or any of Lender's property, or (C) by reason of any settlement or compromise of

any claim made by Lender with any claimant (including without limitation Grantor), the Indebtedness shall be considered unpaid for the purpose of enforcement of this Agreement and this Agreement shall continue to be effective or shall be reinstated, as the case may be, notwithstanding any cancellation of this Agreement or of any note or other instrument or agreement evidencing the Indebtedness and the Collateral will continue to secure the amount repaid or recovered to the same extent as if that amount never had been originally received by Lender, and Grantor shall be bound by any judgment, decree, order, settlement or compromise relating to the Indebtedness or to this Agreement.

DEFAULT. Each of the following shall constitute an Event of Default under this Agreement:

Payment Default. Grantor fails to make any payment when due under the Indebtedness.

Other Defaults. Grantor fails to comply with or to perform any other term, obligation, covenant or condition contained in this Agreement or in any of the Related Documents or to comply with or to perform any term, obligation, covenant or condition contained in any other agreement between Lender and Grantor.

Default in Favor of Third Parties. Any guarantor or Grantor defaults under any loan, extension of credit, security agreement, purchase or sales agreement, or any other agreement, in favor of any other creditor or person that may materially affect any of any guarantor's or Grantor's property or ability to perform their respective obligations under this Agreement or any of the Related Documents.

False Statements. Any warranty, representation or statement made or furnished to Lender by Grantor or on Grantor's behalf under this Agreement or the Related Documents is false or misleading in any material respect, either now or at the time made or furnished or becomes false or misleading at any time thereafter.

Defective Collateralization. This Agreement or any of the Related Documents ceases to be in full force and effect (including failure of any collateral document to create a valid and perfected security interest or lien) at any time and for any reason.

Insolvency. The dissolution or termination of Grantor's existence as a going business, the insolvency of Grantor, the appointment of a receiver for any part of Grantor's property, any assignment for the benefit of creditors, any type of creditor workout, or the commencement of any proceeding under any bankruptcy or insolvency laws by or against Grantor.

Creditor or Forfeiture Proceedings. Commencement of foreclosure or forfeiture proceedings, whether by judicial proceeding, self-help, repossession or any other method, by any creditor of Grantor or by any governmental agency against any collateral securing the Indebtedness. This includes a garnishment of any of Grantor's accounts, including deposit accounts, with Lender. However, this Event of Default shall not apply if there is a good faith dispute by Grantor as to the validity or reasonableness of the claim which is the basis of the creditor or forfeiture proceeding and if Grantor gives Lender written notice of the creditor or forfeiture proceeding and deposits with Lender monies or a surety bond for the creditor or forfeiture proceeding, in an amount determined by Lender, in its sole discretion, as being an adequate reserve or bond for the dispute.

Events Affecting Guarantor. Any of the preceding events occurs with respect to any Guarantor of any of the Indebtedness or Guarantor dies or becomes incompetent or revokes or disputes the validity of, or liability under, any Guaranty of the Indebtedness.

Adverse Change. A material adverse change occurs in Grantor's financial condition, or Lender believes the prospect of payment or performance of the Indebtedness is impaired.

Insecurity. Lender in good faith believes itself insecure.

RIGHTS AND REMEDIES ON DEFAULT. If an Event of Default occurs under this Agreement, at any time thereafter, Lender shall have all the rights of a secured party under the Missouri Uniform Commercial Code. In addition and without limitation, Lender may exercise any one or more of the following rights and remedies:

Accelerate Indebtedness. Lender may declare the entire Indebtedness, including any prepayment penalty which Grantor would be required to pay, immediately due and payable, without notice of any kind to Grantor.

Assemble Collateral. Lender may require Grantor to deliver to Lender all or any portion of the Collateral and any and all certificates of title and other documents relating to the Collateral. Lender may require Grantor to assemble the Collateral and make it available to Lender at a place to be designated by Lender. Lender also shall have full power to enter upon the property of Grantor to take possession of and remove the Collateral. If the Collateral contains other goods not covered by this Agreement at the time of repossession, Grantor agrees Lender may take such other goods, provided that Lender makes reasonable efforts to return them to Grantor after repossession.

Sell the Collateral. Lender shall have full power to sell, lease, transfer, or otherwise deal with the Collateral or proceeds thereof in Lender's own name or that of Grantor. Lender may sell the Collateral at public auction or private sale. Unless the Collateral threatens to decline speedily in value or is of a type customarily sold on a recognized market, Lender will give Grantor, and other persons as required by law, reasonable notice of the time and place of any public sale, or the time after which any private sale or any other disposition of the Collateral is to be made. However, no notice need be provided to any person who, after Event of Default occurs, enters into and authenticates an agreement waiving that person's right to notification of sale. The requirements of reasonable notice shall be met if such notice is given at least ten (10) days before the time of the sale or disposition. All expenses relating to the disposition of the Collateral, including without limitation the expenses of retaking, holding, insuring, preparing for sale and selling the Collateral, shall become a part of the Indebtedness secured by this Agreement and shall be payable on demand, with interest at the Note rate from date of expenditure until repaid.

Appoint Receiver. Lender shall have the right to have a receiver appointed to take possession of all or any part of the Collateral, with the power to protect and preserve the Collateral, to operate the Collateral preceding foreclosure or sale, and to collect the rents from the Collateral and apply the proceeds, over and above the cost of the receivership, against the Indebtedness. The receiver may serve without bond if permitted by law. Lender's right to the appointment of a receiver shall exist whether or not the apparent value of the Collateral exceeds the Indebtedness by a substantial amount. Employment by Lender shall not disqualify a person from serving as a receiver.

Collect Revenues, Apply Accounts. Lender, either itself or through a receiver, may collect the payments, rents, income, and revenues from the Collateral. Lender may at any time in Lender's discretion transfer any Collateral into Lender's own name or that of Lender's nominee and receive the payments, rents, income, and revenues therefrom and hold the same as security for the Indebtedness or apply it to payment of the Indebtedness in such order of preference as Lender may determine. Insofar as the Collateral consists of accounts, general intangibles, insurance policies, instruments, chattel paper, choses in action, or similar property, Lender may demand, collect, receipt for, settle, compromise, adjust, sue for, foreclose, or realize on the Collateral as Lender may determine, whether or not Indebtedness or Collateral is then due. For these purposes, Lender may, on behalf of and in the name of Grantor, receive, open and dispose of mail addressed to Grantor; change any address to which mail and payments are to be sent; and endorse notes, checks, drafts, money orders, documents of title, instruments and items pertaining to payment, shipment, or storage of any Collateral. To facilitate collection, Lender may notify account debtors and obligors on any Collateral to make payments directly to Lender.

Obtain Deficiency. If Lender chooses to sell any or all of the Collateral, Lender may obtain a judgment against Grantor for any deficiency remaining on the Indebtedness due to Lender after application of all amounts received from the exercise of the rights provided in this

COMMERCIAL SECURITY AGREEMENT

Agreement. Grantor shall be liable for a deficiency even if the transaction described in this subsection is a sale of accounts or chattel paper.

Other Rights and Remedies. Lender shall have all the rights and remedies of a secured creditor under the provisions of the Uniform Commercial Code, as may be amended from time to time. In addition, Lender shall have and may exercise any or all other rights and remedies it may have available at law, in equity, or otherwise.

Election of Remedies. Except as may be prohibited by applicable law, all of Lender's rights and remedies, whether evidenced by this Agreement, the Related Documents, or by any other writing, shall be cumulative and may be exercised singularly or concurrently. Election by Lender to pursue any remedy shall not exclude pursuit of any other remedy, and an election to make expenditures or to take action to perform an obligation of Grantor under this Agreement, after Grantor's failure to perform, shall not affect Lender's right to declare a default and exercise its remedies.

MISCELLANEOUS PROVISIONS. The following miscellaneous provisions are a part of this Agreement:

Amendments. This Agreement, together with any Related Documents, constitutes the entire understanding and agreement of the parties as to the matters set forth in this Agreement. No alteration or amendment to this Agreement shall be effective unless given in writing and signed by the party or parties sought to be charged or bound by the alteration or amendment.

Attorneys' Fees; Expenses. Grantor agrees to pay upon demand all of Lender's costs and expenses, including Lender's attorneys' fees and Lender's legal expenses, incurred in connection with the enforcement of this Agreement. Lender may hire or pay someone else to help enforce this Agreement, and Grantor shall pay the costs and expenses of such enforcement. Costs and expenses include Lender's attorneys' fees and legal expenses whether or not there is a lawsuit, including attorneys' fees and legal expenses for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), and appeals. Grantor also shall pay all court costs and such additional fees as may be directed by the court.

Caption Headings. Caption headings in this Agreement are for convenience purposes only and are not to be used to interpret or define the provisions of this Agreement.

Governing Law. This Agreement will be governed by federal law applicable to Lender and, to the extent not preempted by federal law, the laws of the State of Missouri without regard to its conflicts of law provisions. This Agreement has been accepted by Lender in the State of Missouri.

Choice of Venue. If there is a lawsuit, Grantor agrees upon Lender's request to submit to the jurisdiction of the courts of ST. LOUIS County, State of Missouri.

No Waiver by Lender. Lender shall not be deemed to have waived any rights under this Agreement unless such waiver is given in writing and signed by Lender. No delay or omission on the part of Lender in exercising any right shall operate as a waiver of such right or any other right. A waiver by Lender of a provision of this Agreement shall not prejudice or constitute a waiver of Lender's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by Lender, nor any course of dealing between Lender and Grantor, shall constitute a waiver of any of Lender's rights or of any of Grantor's obligations as to any future transactions. Whenever the consent of Lender is required under this Agreement, the granting of such consent by Lender in any instance shall not constitute continuing consent to subsequent instances where such consent is required and in all cases such consent may be granted or withheld in the sole discretion of Lender.

Notices. Any notice required to be given under this Agreement shall be given in writing, and shall be effective when actually delivered, when actually received by facsimile (unless otherwise required by law), when deposited with a nationally recognized overnight courier, or, if mailed, when deposited in the United States mail, as first class, certified or registered mail postage prepaid, directed to the addresses shown near the beginning of this Agreement. Any party may change its address for notices under this Agreement by giving formal written notice to the other parties, specifying that the purpose of the notice is to change the party's address. For notice purposes, Grantor agrees to keep Lender informed at all times of Grantor's current address. Unless otherwise provided or required by law, if there is more than one Grantor, any notice given by Lender to any Grantor is deemed to be noticed given to all Grantors.

Power of Attorney. Grantor hereby appoints Lender as Grantor's irrevocable attorney-in-fact for the purpose of executing any documents necessary to perfect, amend, or to continue the security interest granted in this Agreement or to demand termination of filings of other secured parties. Lender may at any time, and without further authorization from Grantor, file a carbon, photographic or other reproduction of any financing statement or of this Agreement for use as a financing statement. Grantor will reimburse Lender for all expenses for the perfection and the continuation of the perfection of Lender's security interest in the Collateral.

Severability. If a court of competent jurisdiction finds any provision of this Agreement to be illegal, invalid, or unenforceable as to any circumstance, that finding shall not make the offending provision illegal, invalid, or unenforceable as to any other circumstance. If feasible, the offending provision shall be considered modified so that it becomes legal, valid and enforceable. If the offending provision cannot be so modified, it shall be considered deleted from this Agreement. Unless otherwise required by law, the illegality, invalidity, or unenforceability of any provision of this Agreement shall not affect the legality, validity or enforceability of any other provision of this Agreement.

Successors and Assigns. Subject to any limitations stated in this Agreement on transfer of Grantor's interest, this Agreement shall be binding upon and inure to the benefit of the parties, their successors and assigns. If ownership of the Collateral becomes vested in a person other than Grantor, Lender, without notice to Grantor, may deal with Grantor's successors with reference to this Agreement and the indebtedness by way of forbearance or extension without releasing Grantor from the obligations of this Agreement or liability under the indebtedness.

Survival of Representations and Warranties. All representations, warranties, and agreements made by Grantor in this Agreement shall survive the execution and delivery of this Agreement, shall be continuing in nature, and shall remain in full force and effect until such time as Grantor's indebtedness shall be paid in full.

Time is of the Essence. Time is of the essence in the performance of this Agreement.

Unless specifically stated to the contrary, all references to dollar amounts shall mean amounts in lawful money of the United States of America. Re: Outstanding Loan Owed to Busey Bank
Borrower: Benja Incorporated
Guarantors: Andrew J. Chapin, Jr., and Thomas L. Goode, III

Gentlemen:

We represent Busey Bank (“Lender”) in connection with the revolving loan referenced below (the “Loan”) made by Lender to Benja Incorporated (“Borrower”) and guaranteed by Andrew J. Chapin, Jr. (“Chapin”) and Thomas L. Goode, III (“Goode” and, together with Chapin, “Guarantors”) (Borrower and Guarantors shall be collectively referred to herein as “Borrower Parties”).

Reference is made to the following notes, loan agreements, guarantees, security agreements, pledge agreements, mortgages, assignments of rents, and other agreements, instruments and documents by and between Lender and Borrower Parties, among others, evidencing, securing or otherwise relating to the Loan (collectively, the “Loan Documents”):

- a Business Loan Agreement (Asset Based) dated as of July 16, 2019, executed by Borrower in favor of Lender in the original principal amount of \$1,000,000.00, as amended by a Modification to Business Loan Agreement (Asset Based) dated as of February 28, 2020, executed by Borrower in favor of Lender in the original principal amount of \$3,000,000.00, as

replaced and superseded by a Business Loan Agreement (Asset Based) dated as of August 20, 2020, executed by Borrower in favor of Lender in the original principal amount of \$5,000,000.00 (collectively, the “BLA”);

- a Promissory Note dated as of July 16, 2019, executed by Borrower in favor of Lender in the original principal amount of \$1,000,000.00, as replaced and superseded by a Promissory Note dated as of February 28, 2020, executed by Borrower in favor of Lender in the original principal amount of \$3,000,000.00, as replaced and superseded by a Promissory Note dated as of August 20, 2020, executed by Borrower in favor of Lender in the original principal amount of \$5,000,000.00 (collectively, the “Note”);
- a Commercial Security Agreement dated as of July 16, 2019, executed by Borrower in favor of Lender (the “Security Agreement”), pursuant to which Borrower granted a first lien and security interest in favor of Lender against all of Borrower’s assets and property to secure the Loan;
- a Commercial Guaranty dated July 16, 2019, executed by Chapin in favor of Lender which secures the Loan; and
- a Commercial Guaranty dated July 16, 2019, executed by Goode in favor of Lender which secures the Loan.

The BLA provides in relevant part that:

NEGATIVE COVENANTS. Borrower covenants and agrees with Lender that while this Agreement is in effect, Borrower shall not, without the prior written consent of Lender:

Indebtedness and Liens. (1) Except for trade debt incurred in the normal course of business and indebtedness to Lender contemplated by this Agreement, create, incur or assume indebtedness for borrowed money, including capital leases, (2) sell, transfer, mortgage, assign, pledge, lease, grant a security interest in, or encumber any of Borrower’s assets (except as allowed as Permitted Liens), or (3) sell with recourse any of Borrower’s accounts, except to Lender.

(See BLA, at p. 5.) The Security Agreement includes similar provisions in the “Grantor’s Representations and Warranties With Respect to the Collateral” section under the headings “Transactions Involving Collateral” and “Title”. (See Security Agreement, at pp. 1-2.) Please be advised that Borrower has violated the foregoing provisions of the BLA and Security Agreement. In particular, Borrower has incurred borrowed money debt from First Corporate Solutions and E-Revshare Core, LLC, and in connection therewith granted security interests in favor of these lenders in assets of Borrower. Lender understands that these unauthorized secured loans remain outstanding. Additionally, Borrower obtained other unauthorized secured loans from C&S Associates, Inc., Gibraltar Business Capital, LLC, and UMB Bank, N.A., which

Lender understands have since been repaid and the related UCC financing statements terminated. Finally, the U.S. Small Business Administration filed a financing statement against Borrower on or about May 29, 2020, which remains pending.

Additionally, the BLA provides in relevant part that:

Taxes, Charges and Liens. [Borrower shall] pay and discharge when due all of its indebtedness and obligations, including without limitation all assessments, taxes, governmental charges, levies and liens, of every kind and nature, imposed upon Borrower or its properties, income, or profits, prior to the date on which penalties would attach...

(See BLA, at p. 4.) The Security Agreement includes a similar provision in the “Grantor’s Representations and Warranties With Respect to the Collateral” section under the heading “Taxes, Assessments and Liens”. (See Security Agreement, at p. 2.) Please be advised that Borrower has violated the foregoing provisions of the BLA and Security Agreement. In particular, Borrower has allowed certain state tax liens in favor of the California Employment Development Department to be recorded against Borrower and its assets on or about January 14, 2020, and March 9, 2020, and a judgment in favor of a Peter A. Manderino to be recorded against Borrower and its assets on or about October 30, 2018, which remain outstanding.

Further, the BLA provides in relevant part that:

Guarantees. Prior to disbursement of any Loan proceeds, [Borrower shall] furnish executed guaranties of the Loans in favor of Lender, executed by the guarantors named below, on Lender’s forms, and in the amounts and under the conditions set forth in those guaranties.

<u>Names of Guarantors</u>	<u>Amounts</u>
Andrew J. Chapin	Unlimited
Thomas L. Goode III	Unlimited

(See BLA, at p. 4.) Please be advised that Goode contends that he did not execute and/or is not bound by his Commercial Guaranty referenced above. Although Lender disputes Goode’s contention, if it is ultimately determined that Goode did not execute and/or is not bound by his Commercial Guaranty, Borrower has violated the aforementioned provision of the BLA.

Finally, the BLA further provides in relevant part that:

Primary Depository. [Borrower shall] [m]aintain Lender as its primary depository and cash management services institution for Borrower.

Benja Incorporated
September 29, 2020
Page 4

(See BLA, at p. 5.) Please be advised that Borrower has violated the foregoing provision of the BLA because it is currently maintaining its operating and other accounts at JPMorgan Chase Bank, not with Lender.

Please be advised that Borrower's violations of the aforementioned provisions of the BLA, Security Agreement and other Loan Documents constitute Events of Default under the BLA, Security Agreement, Note and other Loan Documents. Lender reserves the right to exercise any and all rights and remedies available to it under the BLA, Security Agreement, Note and other Loan Documents or at law or in equity, without further notice or demand. Nothing herein shall constitute a waiver or a commitment to waive by Lender of its rights and remedies due to such Events of Default or any other existing or future Defaults or Events of Default or an agreement by Lender to forbear from exercising any of its rights or remedies arising out of the Events of Default or any other existing or future Defaults or Events of Default.

Any past or future negotiations between Borrower Parties or their representatives or agents on the one hand, and Lender and its representatives or agents on the other, do not and shall not constitute a waiver of Lender's right to exercise its rights and remedies under the Loan Documents or at law or in equity. Any alleged waiver of any of Lender's rights shall not be effective unless in writing duly executed by an authorized representative of Lender. Borrower Parties and any other obligor for the indebtedness owed under the Loan Documents are not entitled to rely upon any oral statements made or purported to be made by or on behalf of Lender or its agents in connection with any alleged agreement by or on behalf of Lender to refrain from exercising any of Lender's rights under the Loan Documents or otherwise at law or in equity.

Nothing set forth in this letter, no delay on the part of Lender in enforcing its rights with respect to any default, and no discussions between Lender and Borrower Parties regarding the matters addressed in this letter, the Loan Documents, or any other subject matter, are intended (and none shall be deemed) to modify, limit, release, reduce, or waive any of Lender's rights, remedies, or privileges under the Loan Documents, or at law or in equity, all of which are hereby specifically reserved. Furthermore, the enumeration of any specific default herein is not intended and shall not be deemed to waive other defaults that may currently exist under the Loan Documents.

Sincerely,

/s/ Jerry L. Switzer, Jr.

Patrick,

As you are likely aware, there were a few management changes at Benja the last few days.

A long story made short — I am writing to inform you the move made early in the week (appointing Pano Anthos to the Board of Directors and Joe Alouf as Interim President) has been undone by vote of the majority of shareholders. I have returned to each of those roles effective yesterday.

Mr. Anthos and Mr. Alouf are no longer authorized to speak on behalf of Benja as it relates to this matter.

I would like to discuss the state of affairs between Benja and Busey. I come bearing a plan for resolution - and the sooner we can connect, the sooner we can put this in motion.

I'm available at (203) 695 4167 or (415) 326 4167. Give me a call, would be good to touch base briefly before a call with the full group.

Best,

Andrew J. Chapin

IMPORTANT INFORMATION

In Case of General Statement Errors

You must examine your statement of account with "reasonable promptness." If you discover (or reasonably should have discovered) any errors, unauthorized signatures, or alterations, you must promptly notify us of the relevant facts. You agree that the time you have to examine your statement and report to us will depend on the circumstances, but will not, in any circumstance, exceed a total of 30 days from when the statement is first sent or made available to you.

IMPORTANT INFORMATION FOR CONSUMER ACCOUNTS

In Case of Errors or Questions About Your Electronic Transactions

Telephone or write us at the number or address listed below if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

- (1) Tell us your name and account number.
- (2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.
- (3) Tell us the date and the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, we will recredit your account for the amount you think is in error, so that you will have use of the money during the time it takes us to complete our investigation. To qualify for this recredit, we require a written notice of the problem or complaint within 10 business days of your telephone call to us.

In Case of Errors or Questions About Your Line of Credit or Home Equity Loan

If you think your bill is wrong, or if you need information about this loan or a transaction on this statement, please write to us at the address listed below. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared. You can telephone us, but doing so will not preserve your rights. In your letter, please give us the following information:

- (1) Your name and account number.
- (2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.
- (3) The date and the dollar amount of the suspected error.

You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your questions, we cannot report you as delinquent or take any action to collect the amount you question.

Balance Subject to Interest Rate for Line of Credit

Balance Subject to Interest Rate / Average Daily Balance - We figure the interest charge on your account by applying the periodic rate to the 'AVERAGE DAILY BALANCE' of your account (including current transactions). To get the 'AVERAGE DAILY BALANCE', we take the beginning balance of your account each day, add any new advances and subtract any payments or credits, also subtracting any unpaid finance charges. The automatic minimum payment amount is excluded when calculating the 'AVERAGE DAILY BALANCE' and 'INTEREST CHARGE'. If the account does not have sufficient funds to cover payment and another advance is made to cover minimum payment, this is also excluded from figuring the 'AVERAGE DAILY BALANCE' but is reflected in the beginning balance of the next statement cycle. This gives us the daily balance. Then, we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the 'AVERAGE DAILY BALANCE'. Written notification of any errors must be given to preserve your rights under the Truth in Lending Act. At any time the debtor may pay the aggregate balance or any portion of his/her indebtedness.

We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.

Telephone Number and Address to Be Notified in the Event of Errors

Call us at 800.672.8739 or write to us at Busey Bank, Attention: Customer Care Center, P.O. Box 4028, Champaign, IL 61824. You should also call us at this phone number or write to us at this address if you believe a transfer has been made using the information from your check without your permission.

IMPORTANT INFORMATION

In Case of General Statement Errors

You must examine your statement of account with "reasonable promptness." If you discover (or reasonably should have discovered) any errors, unauthorized signatures, or alterations, you must promptly notify us of the relevant facts. You agree that the time you have to examine your statement and report to us will depend on the circumstances, but will not, in any circumstance, exceed a total of 30 days from when the statement is first sent or made available to you.

IMPORTANT INFORMATION FOR CONSUMER ACCOUNTS

In Case of Errors or Questions About Your Electronic Transactions

Telephone or write us at the number or address listed below if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

- (1) Tell us your name and account number.
- (2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.
- (3) Tell us the date and the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, we will recredit your account for the amount you think is in error, so that you will have use of the money during the time it takes us to complete our investigation. To qualify for this recredit, we require a written notice of the problem or complaint within 10 business days of your telephone call to us.

In Case of Errors or Questions About Your Line of Credit or Home Equity Loan

If you think your bill is wrong, or if you need information about this loan or a transaction on this statement, please write to us at the address listed below. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared. You can telephone us, but doing so will not preserve your rights. In your letter, please give us the following information:

- (1) Your name and account number.
- (2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.
- (3) The date and the dollar amount of the suspected error.

You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your questions, we cannot report you as delinquent or take any action to collect the amount you question.

Balance Subject to Interest Rate for Line of Credit

Balance Subject to Interest Rate / Average Daily Balance - We figure the interest charge on your account by applying the periodic rate to the 'AVERAGE DAILY BALANCE' of your account (including current transactions). To get the 'AVERAGE DAILY BALANCE', we take the beginning balance of your account each day, add any new advances and subtract any payments or credits, also subtracting any unpaid finance charges. The automatic minimum payment amount is excluded when calculating the 'AVERAGE DAILY BALANCE' and 'INTEREST CHARGE'. If the account does not have sufficient funds to cover payment and another advance is made to cover minimum payment, this is also excluded from figuring the 'AVERAGE DAILY BALANCE' but is reflected in the beginning balance of the next statement cycle. This gives us the daily balance. Then, we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the 'AVERAGE DAILY BALANCE'. Written notification of any errors must be given to preserve your rights under the Truth in Lending Act. At any time the debtor may pay the aggregate balance or any portion of his/her indebtedness.

We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.

Telephone Number and Address to Be Notified in the Event of Errors

Call us at 800.672.8739 or write to us at Busey Bank, Attention: Customer Care Center, P.O. Box 4028, Champaign, IL 61824. You should also call us at this phone number or write to us at this address if you believe a transfer has been made using the information from your check without your permission.

TERMS AND CONDITIONS OF YOUR ACCOUNT

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT - To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account.

What this means for you: When you open an account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

What this means for you: When you open an account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

AGREEMENT - This document, along with any other documents we give you pertaining to your account(s), is a contract that establishes rules which control your account(s) with us. Please read this carefully and retain it for future reference. If you sign the signature card or open or continue to use the account, you agree to these rules. You will receive a separate schedule of rates, qualifying balances, and fees which are incorporated herein by reference if they are not included in this document. If you have any questions, please call us. **This agreement requires that disputes be resolved in arbitration on an individual basis, rather than through jury trials or class actions. See section Dispute Resolution by Binding Arbitration below for details. If you do not wish to agree to arbitration, you must follow the rejection procedure set forth in the section Dispute Resolution by Binding Arbitration below.**

This agreement is subject to applicable federal laws, the laws of the state of the branch in which your account is located and other applicable rules such as the operating letters of the Federal Reserve Banks and payment processing system rules (except to the extent that this agreement can and does vary such rules or laws). The body of state and federal law that governs our relationship with you, however, is too large and complex to be reproduced here. The purpose of this document is to:

- (1) summarize some laws that apply to common transactions;
 - (2) establish rules to cover transactions or events which the law does not regulate;
 - (3) establish rules for certain transactions or events which the law regulates but permits variation by agreement; and
 - (4) give you disclosures of some of our policies to which you may be entitled or in which you may be interested.

If any provision of this document is found to be unenforceable according to its terms, all remaining provisions will continue in full force and effect. We may permit some variations from our standard agreement, but we must agree to any variation in writing either on the signature card for your account or in some other document. Nothing in this document is intended to vary our duty to act in good faith and with ordinary care when required by law.

As used in this document the words "we," "our," and "us" mean the financial institution and the words "you" and "your" mean the account holder(s) and anyone else with the authority to deposit, withdraw, or exercise control over the funds in the account. However, this agreement does not intend, and the terms "you" and "your" should not be interpreted, to expand an individual's responsibility for an organization's liability. If this account is owned by a corporation, partnership or other organization, individual liability is determined by the laws generally applicable to that type of organization. The headings in this document are for convenience or reference only and will not govern the interpretation of the provisions. Unless it would be inconsistent to do so, words and phrases used in this document should be construed so the singular includes the plural and the plural includes the singular. In Florida, "Party" means a person who, by the terms of an account, has a present right, subject to request, to payment from the account other than as a beneficiary or agent.

Throughout this document, when a provision is identified as being applicable to a certain state (for example, "in Illinois"), it means that the provision is only applicable if your account is held at a branch located in that particular state. Any provision which is not described as applying to a particular state, applies to your account.

LIABILITY - You agree, for yourself (and the person or entity you represent if you sign as a representative of another) to the terms of this account and the schedule of charges. You authorize us to deduct these charges, without notice to you, directly from the account balance as accrued. You will pay any additional reasonable charges for services you request which are not covered by this agreement.

Each of you also agrees to be jointly and severally (individually) liable for any account shortage resulting from charges or overdrafts, whether caused by you or another with access to this account. This liability is due immediately, and we can deduct any amounts deposited into the account and apply those amounts to the shortage. You have no right to defer payment of this liability, and you are liable regardless of whether you signed the item or benefited from the charge or overdraft.

You will be liable for our costs as well as for our reasonable attorneys' fees, to the extent permitted by law, whether incurred as a result of collection or in any other dispute involving your account. This includes, but is not limited to, disputes between you and another joint owner; you and an authorized signer or similar party; or a third party claiming an interest in your account. This also includes any action that you or a third party takes regarding the account that causes us, in good faith, to seek the advice of an attorney, whether or not we become involved in the dispute. All costs and attorneys' fees can be deducted from your account when they are incurred, without notice to you.

DEPOSITS - We will give only provisional credit until collection is final for any items, other than cash, we accept for deposit (including items drawn "on us"). Before settlement of any item becomes final, we act only as your agent, regardless of the form of indorsement or lack of indorsement on the item and even though we provide notice to you.

you provisional credit for the item. We may reverse any provisional credit for items that are lost, stolen, or returned. Unless prohibited by law, we also reserve the right to charge back to your account the amount of any item deposited to your account or cashed for you which was initially paid by the payor bank and which is later returned to us due to an allegedly forged, unauthorized or missing indorsement, claim of alteration, encoding error, counterfeit cashier's check or other problem which in our judgment justifies reversal of credit. You authorize us to attempt to collect previously returned items without giving you notice, and in attempting to collect we may permit the payor bank to hold an item beyond the midnight deadline. Actual credit for deposits of, or payable in, foreign currency will be at the exchange rate in effect on final collection in U.S. dollars. We are not responsible for transactions by mail or outside depository until we actually record them. We will treat and record all transactions received after our "daily cutoff time" on a business day we are open, or received on a day we are not open for business, as if initiated on the next business day that we are open. At our option, we may take an item for collection rather than for deposit. If we accept a third-party check or draft for deposit, we may require any third-party indorsers to verify or guarantee their indorsements, or indorse in our presence.

WITHDRAWALS -

Generally - Unless clearly indicated otherwise on the account records, any of you, acting alone, who signs to open the account or has authority to make withdrawals may withdraw or transfer all or any part of the account balance at any time. Each of you (until we receive written notice to the contrary) authorizes each other person who signs or has authority to make withdrawals to indorse any item payable to you or your order for deposit to this account or any other transaction with us.

Postdated checks - A postdated check is one which bears a date later than the date on which the check is written. We may properly pay and charge your account for a postdated check even though payment was made before the date of the check, unless we have received written notice of the postdating in time to have a reasonable opportunity to act. Because we process checks mechanically, your notice will not be effective and we will not be liable for failing to honor your notice unless it precisely identifies the number, date, amount and payee of the item.

Checks and withdrawal rules - If you do not purchase your check blanks from us, you must be certain that we approve the check blanks you purchase. We may refuse any withdrawal or transfer request which you attempt on forms not approved by us or by any method we do not specifically permit. We may refuse any withdrawal or transfer request which is greater in number than the frequency permitted, or which is for an amount greater or less than any withdrawal limitations. We will use the date the transaction is completed by us (as opposed to the date you initiate it) to apply the frequency limitations. In addition, we may place limitations on the account until your identity is verified. Even if we honor a nonconforming request, we are not required to do so later. If you violate the stated transaction limitations (if any), in our discretion we may close your account or reclassify it as a transaction account. If we reclassify your account, your account will be subject to the fees and earnings rules of the new account classification.

If we are presented with an item drawn against your account that would be a "substitute check," as defined by law, but for an error or defect in the item introduced in the substitute check creation process, you agree that we may pay such item.

See the funds availability policy disclosure for information about when you can withdraw funds you deposit. For those accounts to which our funds availability policy disclosure does not apply, you can ask us when you make a deposit when those funds will be available for withdrawal. An item may be returned after the funds from the deposit of that item are made available for withdrawal. In that case, we will reverse the credit of the item. We may determine the amount of available funds in your account for the purpose of deciding whether to return an item for insufficient funds at any time between the time we receive the item and when we return the item or send a notice in lieu of return. We need only make one determination, but if we choose to make a subsequent determination, the account balance at the subsequent time will determine whether there are insufficient available funds.

Cash withdrawals - We recommend you take care when making large cash withdrawals because carrying large amounts of cash may pose a danger to your personal safety. As an alternative to making a large cash withdrawal, you may want to consider a cashier's check or similar instrument. You assume full responsibility of any loss in the event the cash you withdraw is lost, stolen, or destroyed. You agree to hold us harmless from any loss you incur as a result of your decision to withdraw funds in the form of cash.

A temporary debit authorization hold affects your account balance - On debit card purchases, merchants may request a temporary hold on your account for a specified sum of money when the merchant does not know the exact amount of the purchase at the time the card is authorized. The amount of the temporary hold may be more than the actual amount of your purchase.

Some common transactions where this occurs involve purchases of gasoline, hotel rooms, or meals at restaurants. When this happens, our processing system cannot determine that the amount of the hold exceeds the actual amount of your purchase. This temporary hold, and the amount charged to your account, will eventually be adjusted to the actual amount of your purchase, but it could be three calendar days, or even longer in some cases, before the adjustment is made. Until the adjustment is made, the amount of funds in your account available for other transactions will be reduced by the amount of the temporary hold. If another transaction is presented for payment in an amount greater than the funds left after the deduction of the temporary hold amount, that transaction will be a nonsufficient funds (NSF) transaction if we do not pay it or an overdraft transaction if we do pay it. You will be charged an NSF or overdraft fee according to our NSE or overdraft fee policy. You will be charged the fee

even if you would have had sufficient funds in your account if the amount of the hold had been equal to the amount of your purchase. An item that has been returned and subsequently resubmitted for payment is considered a new item that may result in an additional NSF fee each time the item is returned for non-sufficient funds.

Overdrafts - You understand that we may, at our discretion, honor withdrawal requests that overdraw your account. However, the fact that we may honor withdrawal requests that overdraw the account balance does not obligate us to do so later. So you can NOT rely on us to pay overdrafts on your account regardless of how frequently or under what circumstances we have paid overdrafts on your account in the past. We can change our practice of paying, or not paying, discretionary overdrafts on your account without notice to you. You can ask us if we have other account services that might be available to you where we commit to paying overdrafts under certain circumstances, such as an overdraft protection line-of-credit or a plan to sweep funds from another account you have with us. You agree that we may charge fees for overdrafts.

For consumer accounts, we will not charge fees for overdrafts caused by ATM withdrawals or one-time debit card transactions if you have not opted-in to that service. We may use subsequent deposits, including direct deposits of social security or other government benefits, to cover such overdrafts and overdraft fees.

Multiple signatures, electronic check conversion, and similar transactions - An electronic check conversion transaction is a transaction where a check or similar item is converted into an electronic fund transfer as defined in the Electronic Fund Transfers regulation. In these types of transactions the check or similar item is either removed from circulation (truncated) or given back to you. As a result, we have no opportunity to review the check to examine the signatures on the item. You agree that, as to these or any items as to which we have no opportunity to examine the signatures, you waive any requirement of multiple signatures.

Notice of withdrawal - We reserve the right to require not less than 7 days' notice in writing before each withdrawal from an interest-bearing account other than a time deposit or demand deposit, or from any other savings account as defined by Regulation D. (The law requires us to reserve this right, but it is not our general policy to use it.) Withdrawals from a time account prior to maturity or prior to any notice period may be restricted and may be subject to penalty. See your notice of penalty for early withdrawal.

In Illinois, OWNERSHIP OF ACCOUNT AND BENEFICIARY DESIGNATION -
These rules apply to this account depending on the form of ownership and beneficiary designation, if any, specified on the account records. We make no representations as to the appropriateness or effect of the ownership and beneficiary designations, except as they determine to whom we pay the account funds.

Individual Account - is an account in the name of one person.

Joint Account - With Survivorship (And Not As Tenants In Common) - is an account in the name of two or more persons. Each of you intend that when you die the balance in the account (subject to any previous pledges to which we have agreed) will belong to the survivor(s). If two or more of you survive, you will own the balance in the account as joint tenants with survivorship and not as tenants in common.

Joint Account - No Survivorship (As Tenants In Common) - This is owned by two or more persons, but none of you intend (merely by opening this account) to create any right of survivorship in any other person. We encourage you to agree and tell us in writing of the percentage of the deposit contributed by each of you. This information will not, however, affect the number of signatures necessary for withdrawal.

Revocable Trust or Pay-On-Death Account - If two or more of you create this type of account, you own the account jointly with survivorship. Beneficiaries of either of these account types cannot withdraw unless: (1) all persons creating the account die, and (2) the beneficiary is then living. If two or more beneficiaries are named and survive the death of the owner(s) of the account, such beneficiaries will own this account in equal shares, without right of survivorship. The person(s) creating either a Pay-On-Death or Revocable Trust account reserves the right to: (1) change beneficiaries, (2) change account types, and (3) withdraw all or part of the account funds at any time.

In Florida, OWNERSHIP OF ACCOUNT AND BENEFICIARY DESIGNATION -
These rules apply to this account depending on the form of ownership and beneficiary designation, if any, specified on the account records. We make no representations as to the appropriateness or effect of the ownership and beneficiary designations, except as they determine to whom we pay the account funds.

Multiple-Party Account With Right of Survivorship and Pay-on-Death Designation - At death of last surviving party, ownership passes to the designated pay-on-death beneficiaries and is not part of the last surviving party's estate.

In Indiana, OWNERSHIP OF ACCOUNT AND BENEFICIARY DESIGNATION -
These rules apply to this account depending on the form of ownership and beneficiary designation, if any, specified on the account records. We make no representations as to the appropriateness or effect of the ownership and beneficiary designations, except as they determine to whom we pay the account funds.

Individual Account - is an account in the name of one person.

Joint Account - With Survivorship (And Not As Tenants In Common) - is an account in the name of two or more persons. Each of you intend that when you die the balance in the account (subject to any previous pledge to which we have agreed) will belong to the survivor(s). If two or more of you survive, you will own the balance in the account as joint tenants with survivorship and not as tenants in common.

Joint Account - No Survivorship (As Tenants In Common) - This is owned by two or more persons, but none of you intend (merely by opening this account) to create any right of survivorship in any other person. We encourage you to agree and tell us in writing of the percentage of the deposit contributed by each of you. This information will not, however, affect the number of signatures necessary for withdrawal.

Revocable Trust Account/In Trust For (pursuant to the Multiple Party Account statutes in Indiana Code ch. 32-17-11 et. seq.) - If two or more of you create this type of account, you own the account jointly with survivorship. Beneficiaries cannot withdraw unless: (1) all persons creating the account die, and (2) the beneficiary is then living. If two or more beneficiaries are named and survive the death of all persons creating the account, beneficiaries will own this account in equal shares, without right of survivorship. The person(s) creating this account type may: (1) change beneficiaries, (2) change account types, and (3) withdraw all or part of the account funds at any time.

Pay-on-Death Account with LDPS (pursuant to the Transfer on Death Property Act statutes in Indiana Code ch. 32-17-14 et. seq.) - If two or more of you create this type of account, you own the account jointly with survivorship. Beneficiaries cannot withdraw unless all persons creating the account die. If a named beneficiary does not survive all persons that created the account, that beneficiary's right to a transfer on death transfer belongs to that beneficiary's lineal descendants per stirpes (LDPS) who survive all persons that created the account. LDPS means that group of people that are the lineal descendants of a beneficiary who will take, in place of the beneficiary they have survived, the beneficiary's share as determined under Indiana law. In order for a lineal descendant to take in place of a beneficiary, the lineal descendant must survive the death of that beneficiary. The person(s) creating this account type may: (1) change beneficiaries, (2) change account types, and (3) withdraw all or part of the account funds at any time.

Pay-on-Death Account No LDPS (pursuant to the Transfer on Death Property Act statutes in Indiana Code ch. 32-17-14 et. seq.) - If two or more of you create this type of account, you own the account jointly with survivorship. Beneficiaries cannot withdraw unless: (1) all persons creating the account die, and (2) the beneficiary is then living. If two or more beneficiaries are named and survive the death of all persons creating the account, beneficiaries will own this account in equal shares unless otherwise designated in writing, without right of survivorship. The person(s) creating this account type may: (1) change beneficiaries, (2) change account types, and (3) withdraw all or part of the account funds at any time.

Additional Transfer on Death Property Act Rules - If there are multiple primary beneficiaries and a primary beneficiary does not survive all persons creating the account and does not have a substitute under the LDPS rules, the share of the nonsurviving primary beneficiary is allocated among the surviving primary beneficiaries in the proportion that their shares bear to each other. If there are no surviving primary beneficiaries and there are no substitutes for the nonsurviving primary beneficiaries under the LDPS rules, the property belongs to the surviving contingent beneficiaries in equal shares or according to the percentages or fractional shares stated in the designation. If there are multiple contingent beneficiaries and a contingent beneficiary does not survive all persons creating the account and does not have a substitute under the LDPS rules, the share of the nonsurviving contingent beneficiary is allocated among the surviving contingent beneficiaries in the proportion that their shares bear to each other. If no beneficiary survives all persons creating the account, the property belongs to the estate of the owner unless directed to a substitute beneficiary under the LDPS rules.

In Missouri, OWNERSHIP OF ACCOUNT AND BENEFICIARY DESIGNATION -
These rules apply to this account depending on the form of ownership and beneficiary designation, if any, specified on the account records. We make no representations as to the appropriateness or effect of the ownership and beneficiary designations, except as they determine to whom we pay the account funds.

Individual Account - is an account in the name of one person

Joint Account - With Survivorship (And Not As A Tenancy By The Entirety Or As Tenants In Common) - is an account in the name of two or more persons. Each of you intend that when you die the balance in the account (subject to any previous pledge to which we have agreed) will belong to the survivor(s). If two or more of you survive, you will own the balance in the account as joint tenants with survivorship and not as tenants in common.

Joint Account - As Tenants In Common Without Survivorship (And Not As A Tenancy By The Entirety) - This is owned by two or more persons, but none of you intend (merely by opening this account) to create any right of survivorship in any other person. We encourage you to agree and tell us in writing of the percentage of the deposit contributed by each of you. This information will not, however, affect the number of signatures necessary for withdrawal.

Husband And Wife As A Tenancy By The Entirety - is an account in the name of two persons who are husband and wife as tenants by the entirety.

Revocable Trust or Pay-On-Death Account (not subject to the Nonprobate Transfers Law of Missouri) - If two or more of you create such an account, you own the account jointly with survivorship. Beneficiaries cannot withdraw unless: (1) all persons creating the account die, and (2) the beneficiary is then living. If two or more beneficiaries are named and survive the death of all persons creating the account, such beneficiaries will own this account in equal shares, without right of survivorship. The person(s) creating either of these account types reserves the right to: (1) change beneficiaries, (2) change account types, and (3) withdraw all or part of the account funds at any time.

Registration in Beneficiary Form - LDPS means a class of unnamed persons who are the lineal descendants per stirpes of a beneficiary and who are to take upon surviving, in place of and with the same priority as the named individual for whom they are indicated as substitutes.

BUSINESS, ORGANIZATION AND ASSOCIATION ACCOUNTS - Earnings in the form of interest, dividends, or credits will be paid only on collected funds, unless otherwise provided by law or our policy. You represent that you have the authority to open and conduct business on this account on behalf of the entity. We may require the governing body of the entity opening the account to give us a separate authorization telling us who is authorized to act on its behalf. We will honor the authorization until we actually receive written notice of a change from the governing body of the entity.

In Illinois and Missouri, STOP PAYMENTS - Unless otherwise provided, the rules in this section cover stopping payment of items such as checks and drafts. Rules for stopping payment of other types of transfers of funds, such as consumer electronic fund transfers, may be established by law or our policy. If we have not disclosed these rules to you elsewhere, you may ask us about those rules.

We may accept an order to stop payment on any item from any one of you. You must make any stop-payment order in the manner required by law and we must receive it in time to give us a reasonable opportunity to act on it before our stop-payment cutoff time. Because stop-payment orders are handled by computers, to be effective, your stop-payment order must precisely identify the number, date, and amount of the item, and the payee. You may stop payment on any item drawn on your account whether you sign the item or not. Generally, if your stop-payment order is given to us in writing it is effective for six months. Your order will lapse after that time if you do not renew the order in writing before the end of the six-month period. If the original stop-payment order was oral your stop-payment order will lapse after 14 calendar days if you do not confirm your order in writing within that time period. We are not obligated to notify you when a stop-payment order expires.

If you stop payment on an item and we incur any damages or expenses because of the stop payment, you agree to indemnify us for those damages or expenses, including attorneys' fees. You assign to us all rights against the payee or any other holder of the item. You agree to cooperate with us in any legal actions that we may take against such persons. You should be aware that anyone holding the item may be entitled to enforce payment against you despite the stop-payment order.

Our stop-payment cutoff time is one hour after the opening of the next banking day after the banking day on which we receive the item. Additional limitations on our obligation to stop payment are provided by law (e.g., we paid the item in cash or we certified the item).

In Florida, STOP PAYMENTS - Unless otherwise provided, the rules in this section cover stopping payment of items such as checks and drafts. Rules for stopping payment of other types of transfers of funds, such as consumer electronic fund transfers, may be established by law or our policy. If we have not disclosed these rules to you elsewhere, you may ask us about those rules. We may accept an order to stop payment on any item from any one of you. You must make any stop-payment order in the manner required by law, it must be made in a signed and dated writing, and we must receive it in time to give us a reasonable opportunity to act on it before our stop-payment cutoff time. Because stop-payment orders are handled by computers, to be effective, your stop-payment order must precisely identify the number, date, and amount of the item, and the payee.

and the payee. You may stop payment on any item drawn on your account whether you sign the item or not. Your stop-payment order is effective for six months if it is given to us in writing or by another type of record (Generally, a "record" is information that is stored in such a way that it can be retrieved and can be heard or read and understood – you can ask us what type of stop-payment records you can give us). Your order will lapse after that time if you do not renew the order in writing before the end of the six-month period. If the original stop-payment order was oral your stop-payment order will lapse after 14 calendar days if it is not confirmed in writing or by another type of record within that time period. TELEPHONE TRANSFERS - A telephone transfer of funds from this account to another account with us, if otherwise arranged for or permitted, may be made by the same persons and under the same conditions generally applicable to withdrawals made in writing. Limitations on the number of telephonic transfers from a savings account are described elsewhere.

AMENDMENTS AND TERMINATION - We may change any term of this agreement. Rules governing changes in interest rates are provided separately in the Truth-in-Savings disclosure or in another document. For other changes, we will give you reasonable notice in writing or by any other method permitted by law. We may also close this account at any time upon reasonable notice to you and tender of the account balance personally or by mail. Items presented for payment after the account is closed may be dishonored. When you close your account, you are responsible for leaving enough money in the account to cover any outstanding items to be paid from the account. Reasonable notice depends on the circumstances, and in some cases such as when we cannot verify your identity or we suspect fraud, it might be reasonable for us to give you notice after the change or account closure becomes effective. For instance, if we suspect fraudulent activity with respect to your account, we might immediately freeze or close your account and then give you notice. If we have notified you of a change in any term of your account and you continue to have your account after the effective date of the change, you have agreed to the new term(s).

NOTICES - Any written notice you give us is effective when we actually receive it, and it must be given to us according to the specific delivery instructions provided elsewhere, if any. We must receive it in time to have a reasonable opportunity to act on it. If the notice is regarding a check or other item, you must give us sufficient information to be able to identify the check or item, including the precise check or item number, amount, date and payee. Written notice we give you is effective when it is deposited in the United States Mail with proper postage and addressed to your mailing address we have on file. Notice to any of you is notice to all of you.

STATEMENTS - Your duty to report unauthorized signatures, alterations and forgeries - You must examine your statement of account with "reasonable promptness." If you discover (or reasonably should have discovered) any unauthorized signatures or alterations, you must promptly notify us of the relevant facts. As between you and us, if you fail to do either of these duties, you will have to either share the loss with us, or bear the loss entirely yourself (depending on whether we used ordinary care and, if not, whether we substantially contributed to the loss). The loss could be not only with respect to items on the statement but other items with unauthorized signatures or alterations by the same wrongdoer.

You agree that the time you have to examine your statement and report to us will depend on the circumstances, but will not, in any circumstance, exceed a total of 30 days from when the statement is first sent or made available to you.

You further agree that if you fail to report any unauthorized signatures, alterations or forgeries in your account within 60 days of when we first send or make the statement available, you cannot assert a claim against us on any items in that statement, and as between you and us the loss will be entirely yours. This 60-day limitation is without regard to whether we used ordinary care. The limitation in this paragraph is in addition to that contained in the first paragraph of this section.

Your duty to report other errors or problems - In addition to your duty to review your statements for unauthorized signatures, alterations and forgeries, you agree to examine your statement with reasonable promptness for any other error or problem - such as an encoding error or an unexpected deposit amount. Also, if you receive or we make available either your items or images of your items, you must examine them for any unauthorized or missing indorsements or any other problems. You agree that the time you have to examine your statement and items and report to us will depend on the circumstances. However, this time period shall not exceed 60 days. Failure to examine your statement and items and report any errors to us within 60 days of when we first send or make the statement available precludes you from asserting a claim against us for any errors on items identified in that statement and as between you and us the loss will be entirely yours.

Errors relating to electronic fund transfers or substitute checks - For information on errors relating to electronic fund transfers (e.g., on-line, mobile, debit card or ATM transactions) refer to your Electronic Fund Transfers disclosure and the sections on consumer liability and error resolution. For information on errors relating to a

substitute check you received, refer to your disclosure entitled Substitute Checks and Your Rights.

Duty to notify if statement not received - You agree to immediately notify us if you do not receive your statement by the date you normally expect to receive it. Not receiving your statement in a timely manner is a sign that there may be an issue with your account, such as possible fraud or identity theft.

ACCOUNT TRANSFER - This account may not be transferred or assigned without our prior written consent.

DIRECT DEPOSITS - If we are required for any reason to reimburse the federal government for all or any portion of a benefit payment that was directly deposited into your account, you authorize us to deduct the amount of our liability to the federal government from the account or from any other account you have with us, without prior notice and at any time, except as prohibited by law. We may also use any other legal remedy to recover the amount of our liability.

TEMPORARY ACCOUNT AGREEMENT - If the account documentation indicates that this is a temporary account agreement, each person who signs to open the account or has authority to make withdrawals (except as indicated to the contrary) may transact business on this account. However, we may at some time in the future restrict or prohibit further use of this account if you fail to comply with the requirements we have imposed within a reasonable time.

SETOFF - We may (without prior notice and when permitted by law) set off the funds in this account against any due and payable debt any of you owe us now or in the future. If this account is owned by one or more of you as individuals, we may set off any funds in the account against a due and payable debt a partnership owes us now or in the future, to the extent of your liability as a partner for the partnership debt. If your debt arises from a promissory note, then the amount of the due and payable debt will be the full amount we have demanded, as entitled under the terms of the note, and this amount may include any portion of the balance for which we have properly accelerated the due date.

This right of setoff does not apply to this account if prohibited by law. For example, the right of setoff does not apply to this account if: (a) it is an Individual Retirement Account or similar tax-deferred account, or (b) the debt is created by a consumer credit transaction under a credit card plan (but this does not affect our rights under any consensual security interest), or (c) the debtor's right of withdrawal only arises in a representative capacity. We will not be liable for the dishonor of any check when the dishonor occurs because we set off a debt against this account. You agree to hold us harmless from any claim arising as a result of our exercise of our right of setoff.

In Illinois, Indiana and Missouri, AUTHORIZED SIGNER (Individual Accounts only) - A single individual is the owner. The authorized signer is merely designated to conduct transactions on the owner's behalf. The owner does not give up any rights to act on the account, and the authorized signer may not in any manner affect the rights of the owner or beneficiaries, if any, other than by withdrawing funds from the account. The owner is responsible for any transactions of the authorized signer. We undertake no obligation to monitor transactions to determine that they are on the owner's behalf.

The owner may terminate the authorization at any time, and the authorization is automatically terminated by the death of the owner. However, we may continue to honor the transactions of the authorized signer until: (a) we have received written notice or have actual knowledge of the termination of authority, and (b) we have a reasonable opportunity to act on that notice or knowledge. We may refuse to accept the designation of an authorized signer.

In Florida, CONVENIENCE ACCOUNT AGENT (Single-Party Accounts only) - A convenience account, as defined by Florida law, means a deposit account other than a certificate of deposit, in the name of one individual, in which one or more individuals have been designated as agent with the right to make deposits to and withdraw funds from or draw checks on such account on the owner's behalf. A single individual is the owner, and the agent is merely designated to conduct transactions on the owner's behalf. The owner does not give up any rights to act on the account, and the agent may not in any manner affect the rights of the owner or beneficiaries, if any, other than by withdrawing funds from the account. The owner is responsible for any transactions of the agent. We undertake no obligation to monitor transactions to determine that they are on the owner's behalf.

The owner may terminate the agency at any time, and the agency is automatically terminated by the death of the owner. However, we may continue to honor the transactions of the agent until: (a) we have received written notice or have actual knowledge of the termination of agency, and (b) we have a reasonable opportunity to act on that notice or knowledge. We may refuse to accept the designation of a convenience account agent.

RESTRICTIVE LEGENDS OR INDORSEMENTS - The automated processing of the large volume of checks we receive prevents us from inspecting or looking for restrictive legends, restrictive indorsements or other special instructions on every check. For this reason, we are not required to honor any restrictive legend or indorsement or other special instruction placed on checks you write unless we have agreed in writing to the restriction or instruction. Unless we have agreed in writing, we are not responsible for any losses, claims, damages, or expenses that result from your placement of these restrictions or instructions on your checks. Examples of restrictive legends placed on checks are "must be presented within 90 days" or "not valid for more than \$1,000.00." The payee's signature accompanied by the words "for deposit only" is an example of a restrictive indorsement.

FACSIMILE SIGNATURES - Unless you make advance arrangements with us, we have no obligation to honor facsimile signatures on your checks or other orders. If we do agree to honor items containing facsimile signatures, you authorize us, at any time, to charge you for all checks, drafts, or other orders, for the payment of money, that

are drawn on us. You give us this authority regardless of by whom or by what means the facsimile signature(s) may have been affixed so long as they resemble the facsimile signature specimen filed with us, and contain the required number of signatures for this purpose. You must notify us at once if you suspect that your facsimile signature is being or has been misused.

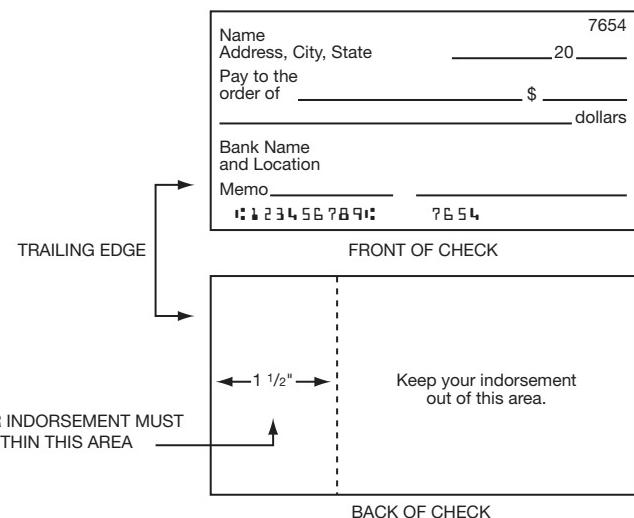

CHECK PROCESSING - We process items mechanically by relying solely on the information encoded in magnetic ink along the bottom of the items. This means that we do not individually examine all of your items to determine if the item is properly completed, signed and indorsed or to determine if it contains any information other than what is encoded in magnetic ink. You agree that we have exercised ordinary care if our automated processing is consistent with general banking practice, even though we do not inspect each item. Because we do not inspect each item, if you write a check to multiple payees, we can properly pay the check regardless of the number of indorsements unless you notify us in writing that the check requires multiple indorsements. We must receive the notice in time for us to have a reasonable opportunity to act on it, and you must tell us the precise date of the check, amount, check number and payee. We are not responsible for any unauthorized signature or alteration that would not be identified by a reasonable inspection of the item. Using an automated process helps us keep costs down for you and all account holders.

CHECK CASHING - We may charge a fee for anyone that does not have an account with us who is cashing a check, draft or other instrument written on your account. We may also require reasonable identification to cash such a check, draft or other instrument. We can decide what identification is reasonable under the circumstances and such identification may be documentary or physical and may include collecting a thumbprint or fingerprint.

INDORSEMENTS - We may accept for deposit any item payable to you or your order, even if they are not indorsed by you. We may give cash back to any one of you. We may supply any missing indorsement(s) for any item we accept for deposit or collection, and you warrant that all indorsements are genuine.

To ensure that your check or share draft is processed without delay, you must indorse it (sign it on the back) in a specific area. Your entire indorsement (whether a signature or a stamp) along with any other indorsement information (e.g. additional indorsements, ID information, driver's license number, etc.) must fall within 1 1/2" of the "trailing edge" of a check. Indorsements must be made in blue or black ink, so that they are readable by automated check processing equipment.

As you look at the front of a check, the "trailing edge" is the left edge. When you flip the check over, be sure to keep all indorsement information within 1 1/2" of that edge.

It is important that you confine the indorsement information to this area since the remaining blank space will be used by others in the processing of the check to place additional needed indorsements and information. You agree that you will indemnify, defend, and hold us harmless for any loss, liability, damage or expense that occurs because your indorsement, another indorsement or information you have printed on the back of the check obscures our indorsement.

These indorsement guidelines apply to both personal and business checks.

DEATH OR INCOMPETENCE - You agree to notify us promptly if any person with a right to withdraw funds from your account(s) dies or is adjudicated (determined by the appropriate official) incompetent. We may continue to honor your checks, items, and instructions until: (a) we know of your death or adjudication of incompetence, and (b) we have had a reasonable opportunity to act on that knowledge. You agree that we may pay or certify checks drawn on or before the date of death or adjudication of incompetence for up to ten (10) days after your death or adjudication of incompetence unless ordered to stop payment by someone claiming an interest in the account.

FIDUCIARY ACCOUNTS - Accounts may be opened by a person acting in a fiduciary capacity. A fiduciary is someone who is appointed to act on behalf of and for the benefit of another. We are not responsible for the actions of a fiduciary, including the misuse of funds. This account may be opened and maintained by a person or persons named as a trustee under a written trust agreement, or as executors, administrators, or conservators under court orders. You understand that by merely opening such an

account, we are not acting in the capacity of a trustee in connection with the trust nor do we undertake any obligation to monitor or enforce the terms of the trust or letters.

CREDIT VERIFICATION - You agree that we may verify credit and employment history by any necessary means, including preparation of a credit report by a credit reporting agency.

LEGAL ACTIONS AFFECTING YOUR ACCOUNT - If we are served with a subpoena, restraining order, writ of attachment or execution, levy, garnishment, search warrant, or similar order relating to your account (termed "legal action" in this section), we will comply with that legal action. Or, in our discretion, we may freeze the assets in the account and not allow any payments out of the account until a final court determination regarding the legal action. We may do these things even if the legal action involves less than all of you. In these cases, we will not have any liability to you if there are insufficient funds to pay your items because we have withdrawn funds from your account or in any way restricted access to your funds in accordance with the legal action. Any fees or expenses we incur in responding to any legal action (including, without limitation, attorneys' fees and our internal expenses) may be charged against your account. The list of fees applicable to your account(s) provided elsewhere may specify additional fees that we may charge for certain legal actions.

ACCOUNT SECURITY -

Duty to protect account information and methods of access - It is your responsibility to protect the account numbers and electronic access devices (e.g., an ATM card) we provide you for your account(s). Do not discuss, compare, or share information about your account number(s) with anyone unless you are willing to give them full use of your money. An account number can be used by thieves to issue an electronic debit or to encode your number on a false demand draft which looks like and functions like an authorized check. If you furnish your access device and grant actual authority to make transfers to another person (a family member or coworker, for example) who then exceeds that authority, you are liable for the transfers unless we have been notified that transfers by that person are no longer authorized.

Your account number can also be used to electronically remove money from your account, and payment can be made from your account even though you did not contact us directly and order the payment.

You must also take precaution in safeguarding your blank checks. Notify us at once if you believe your checks have been lost or stolen. As between you and us, if you are negligent in safeguarding your checks, you must bear the loss entirely yourself or share the loss with us (we may have to share some of the loss if we failed to use ordinary care and if we substantially contributed to the loss).

Positive pay and other fraud prevention services - Except for consumer electronic fund transfers subject to Regulation E, you agree that if we offer you services appropriate for your account to help identify and limit fraud or other unauthorized transactions against your account, and you reject those services, you will be responsible for any fraudulent or unauthorized transactions which could have been prevented by the services we offered. You will not be responsible for such transactions if we acted in bad faith or to the extent our negligence contributed to the loss. Such services include positive pay or commercially reasonable security procedures. If we offered you a commercially reasonable security procedure which you reject, you agree that you are responsible for any payment order, whether authorized or not, that we accept in compliance with an alternative security procedure that you have selected. The positive pay service can help detect and prevent check fraud and is appropriate for account holders that issue: a high volume of checks, a lot of checks to the general public, or checks for large dollar amounts.

TELEPHONIC INSTRUCTIONS - Unless required by law or we have agreed otherwise in writing, we are not required to act upon instructions you give us via facsimile transmission or leave by voice mail or on a telephone answering machine.

MONITORING AND RECORDING TELEPHONE CALLS AND CONSENT TO RECEIVE COMMUNICATIONS - Subject to federal and state law, we may monitor or record phone calls for security reasons, to maintain a record and to ensure that you receive courteous and efficient service. You consent in advance to any such recording.

To provide you with the best possible service in our ongoing business relationship for your account we may need to contact you about your account from time to time by telephone, text messaging or email. However, we first obtain your consent to contact you about your account in compliance with applicable consumer protection provisions in the federal Telephone Consumer Protection Act of 1991 (TCPA), CAN-SPAM Act and their related federal regulations and orders issued by the Federal Communications Commission (FCC).

- Your consent is limited to your account, and as authorized by applicable law and regulations.
- Your consent is voluntary and not conditioned on the purchase of any product or service from us.

With the above understandings, you authorize us to contact you regarding your account throughout its existence using any telephone numbers or email addresses that you have previously provided to us by virtue of an existing business relationship or that you may subsequently provide to us.

This consent is regardless of whether the number we use to contact you is assigned to a landline, a paging service, a cellular wireless service, a specialized mobile radio service, other radio common carrier service or any other service for which you may be charged for the call. You further authorize us to contact you through the use of voice, voice mail and text messaging, including the use of pre-recorded or artificial voice messages and an automated dialing device.

If necessary, you may change or remove any of the telephone numbers or email addresses at any time using any reasonable means to notify us.

CLAIM OF LOSS - If you claim a credit or refund because of a forgery, alteration, or any other unauthorized withdrawal, you agree to cooperate with us in the investigation of the loss, including giving us an affidavit containing whatever reasonable information we require concerning your account, the transaction, and the circumstances surrounding the loss. You will notify law enforcement authorities of any criminal act related to the claim of lost, missing, or stolen checks or unauthorized withdrawals. We will have a reasonable period of time to investigate the facts and circumstances surrounding any claim of loss. Unless we have acted in bad faith, we will not be liable for special or consequential damages, including loss of profits or opportunity, or for attorneys' fees incurred by you.

You agree that you will not waive any rights you have to recover your loss against anyone who is obligated to repay, insure, or otherwise reimburse you for your loss. You will pursue your rights or, at our option, assign them to us so that we may pursue them. Our liability will be reduced by the amount you recover or are entitled to recover from these other sources.

EARLY WITHDRAWAL PENALTIES (and involuntary withdrawals) - We may impose early withdrawal penalties on a withdrawal from a time account even if you don't initiate the withdrawal. For instance, the early withdrawal penalty may be imposed if the withdrawal is caused by our setoff against funds in the account or as a result of an attachment or other legal process. We may close your account and impose the early withdrawal penalty on the entire account balance in the event of a partial early withdrawal. See your notice of penalty for early withdrawals for additional information.

ADDRESS OR NAME CHANGES - You are responsible for notifying us of any change in your address or your name. Unless we agree otherwise, change of address or name must be made in writing by at least one of the account holders. Informing us of your address or name change on a check reorder form is not sufficient. We will attempt to communicate with you only by use of the most recent address you have provided to us. If provided elsewhere, we may impose a service fee if we attempt to locate you.

RESOLVING ACCOUNT DISPUTES - We may place an administrative hold on the funds in your account (refuse payment or withdrawal of the funds) if it becomes subject to a claim adverse to (1) your own interest; (2) others claiming an interest as survivors or beneficiaries of your account; or (3) a claim arising by operation of law. The hold may be placed for such period of time as we believe reasonably necessary to allow a legal proceeding to determine the merits of the claim or until we receive evidence satisfactory to us that the dispute has been resolved. We will not be liable for any items that are dishonored as a consequence of placing a hold on funds in your account for these reasons.

WAIVER OF NOTICES - To the extent permitted by law, you waive any notice of non-payment, dishonor or protest regarding any items credited to or charged against your account. For example, if you deposit an item and it is returned unpaid or we receive a notice of nonpayment, we do not have to notify you unless required by federal Regulation CC or other law.

ACH AND WIRE TRANSFERS - This agreement is subject to Article 4A of the Uniform Commercial Code - Fund Transfers as adopted in the state in which you have your account with us. If you originate a fund transfer and you identify by name and number a beneficiary financial institution, an intermediary financial institution or a beneficiary, we and every receiving or beneficiary financial institution may rely on the identifying number to make payment. We may rely on the number even if it identifies a financial institution, person or account other than the one named. You agree to be bound by automated clearing house association rules. These rules provide, among other things, that payments made to you, or originated by you, are provisional until final settlement is made through a Federal Reserve Bank or payment is otherwise made as provided in Article 4A-403(a) of the Uniform Commercial Code. If we do not receive such payment, we are entitled to a refund from you in the amount credited to your account and the party originating such payment will not be considered to have paid the amount so credited. Credit entries may be made by ACH. If we receive a payment order to credit an account you have with us by wire or ACH, we are not required to give you any notice of the payment order or credit.

TRUNCATION, SUBSTITUTE CHECKS, AND OTHER CHECK IMAGES - If you truncate an original check and create a substitute check, or other paper or electronic image of the original check, you warrant that no one will be asked to make payment on the original check, a substitute check or any other electronic or paper image, if the payment obligation relating to the original check has already been paid. You also warrant that any substitute check you create conforms to the legal requirements and generally accepted specifications for substitute checks. You agree to retain the original check in conformance with our internal policy for retaining original checks. You agree to indemnify us for any loss we may incur as a result of any truncated check transaction you initiate. We can refuse to accept substitute checks that have not previously been warranted by a bank or other financial institution in conformance with the Check 21 Act. Unless specifically stated in a separate agreement between you and us, we do not have to accept any other electronic or paper image of an original check.

REMOTELY CREATED CHECKS - Like any standard check or draft, a remotely created check (sometimes called a telecheck, preauthorized draft or demand draft) is a check or draft that can be used to withdraw money from an account. Unlike a typical check or draft, however, a remotely created check is not issued by the paying bank and does not contain the signature of the account owner (or a signature purported to be the signature of the account owner). In place of a signature, the check usually has a statement that the owner authorized the check or has the owner's name typed or printed on the signature line.

You warrant and agree to the following for every remotely created check we receive from you for deposit or collection: (1) you have received express and verifiable

authorization to create the check in the amount and to the payee that appears on the check; (2) you will maintain proof of the authorization for at least 2 years from the date of the authorization, and supply us the proof if we ask; and (3) if a check is returned you owe us the amount of the check, regardless of when the check is returned. We may take funds from your account to pay the amount you owe us, and if there are insufficient funds in your account, you still owe us the remaining balance.

UNLAWFUL INTERNET GAMBLING NOTICE - Restricted transactions as defined in Federal Reserve Regulation GG are prohibited from being processed through this account or relationship. Restricted transactions generally include, but are not limited to, those in which credit, electronic fund transfers, checks, or drafts are knowingly accepted by gambling businesses in connection with the participation by others in unlawful Internet gambling.

DISPUTE RESOLUTION BY BINDING ARBITRATION -

Claims Subject to Arbitration: Unless you opt out of this arbitration provision in accordance with the procedure set forth below, you and we agree that any dispute or claim between us, except for claims arising from bodily injury or death, must be arbitrated if either party elects arbitration of that dispute or claim. This agreement to arbitrate is intended to be broadly interpreted. It includes, but is not limited to:

- claims arising out of or relating to any aspect of the relationship between us, whether based in contract, tort, fraud, misrepresentation or any other statutory or common-law legal theory;
- claims that arose before this or any prior agreement (including, but not limited to, claims relating to advertising or disclosures);
- claims for mental or emotional distress or injury not arising out of bodily injury;
- claims asserted in a court of general jurisdiction against you or us, including counterclaims, cross-claims, or third-party claim, that you or we elect to arbitrate;
- claims that are currently the subject of purported class action litigation in which you are not a member of a certified class; and
- claims that may arise after the termination of this agreement.

References to "you," and "us" in this arbitration provision include our respective parents, subsidiaries, affiliates, predecessors, successors, and assigns; our and those entities' agents and employees; and all authorized or unauthorized users or beneficiaries of your account, as well as your heirs, trustees, or other representatives. However, either party may elect arbitration of an action in small claims court seeking only individualized relief, so long as the action remains in that court and is not removed to a court of general jurisdiction. This arbitration agreement does not preclude you from bringing issues to the attention of federal, state, or local agencies. Such agencies can, if the law allows, seek relief against us on your behalf. Nor does this arbitration agreement preclude either you or we from exercising self-help remedies (including setoff), and exercising such a remedy is not a waiver of the right to invoke arbitration of any dispute. **You and we each waive the right to a trial by jury or to participate in a class action whenever either you or we elect arbitration.** This agreement evidences a transaction in interstate commerce, and thus the Federal Arbitration Act governs the interpretation and enforcement of this provision. This arbitration provision shall survive termination of this agreement.

Pre-Arbitration Notice of Disputes: Before either you or we commence arbitration, the claimant must first send to the other a written Notice of Dispute ("Notice"). The Notice to us must be sent by certified mail to: General Counsel, Busey Bank, 100 West University Avenue, Champaign, Illinois 61820 ("Notice Address"). The Notice to you will be sent to your address on file with your account. The Notice must (i) include your name and account number; (ii) describe the nature and basis of the claim or dispute; and (iii) set forth the specific relief sought.

If you and we do not reach an agreement to resolve the claim within 30 calendar days after the Notice is received, you or we may commence an arbitration proceeding. During the arbitration, the amount of any settlement offer shall not be disclosed to the arbitrator until after the arbitrator determines the amount, if any, to which you are entitled. If you have complied with the requirements of this paragraph and the arbitrator awards you an amount of money that exceeds the value of our last written settlement to you before the appointment of the arbitrator, then we will pay you \$500 in lieu of any smaller award.

In determining whether you are entitled to the minimum \$500 recovery, the arbitrator shall not consider amounts offered or awarded for attorneys' fees or costs. Any disputes as to recovery of the \$500 minimum recovery shall be resolved by the arbitrator, and must be raised within 14 calendar days of the arbitrator's ruling on the merits.

Arbitration Procedure: The arbitration will be governed by the Consumer Arbitration Rules ("AAA Rules") of the American Arbitration Association ("AAA"), as modified by this arbitration provision, and will be administered by the AAA. (If the AAA is unavailable, another arbitration provider shall be selected by the parties or by the court.) The AAA Rules are available online at www.adr.org or by writing to the Notice Address. All issues are for the arbitrator to decide, except that issues relating to the scope and enforceability of the arbitration provision or whether a dispute can or must be brought in arbitration are for the court to decide. The arbitrator may consider but shall not be bound by rulings in other arbitrations involving different customers. Unless you and we agree otherwise, any arbitration hearings will take place in the county of

your address on file with your account. If your claim is for \$10,000 or less, we agree that you may choose whether the arbitration will be conducted solely on the basis of documents submitted to the arbitrator, through a telephonic hearing, or by an in-person hearing as established by the AAA Rules. If your claim exceeds \$10,000, the right to a hearing will be determined by the AAA Rules. Regardless of the manner in which the arbitration is conducted, the arbitrator shall issue a reasoned written decision sufficient to explain the essential findings and conclusions on which the award is based. Except as provided below, the arbitrator can award the same damages and relief that a court can award under applicable law.

Arbitration Fees: If you complied with the notice requirements above, after we receive notice at the Notice Address that you have commenced arbitration, we will promptly reimburse you for your payment of the filing fee, unless your claim is for greater than \$10,000 in value. (The filing fee currently is \$200 but is subject to change by the arbitration provider. If you are unable to pay this fee, we will pay it directly upon receiving a written request at the Notice Address.) We also will pay all other AAA filing, administration, and arbitrator fees for that arbitration. If, however, the arbitrator finds that either the substance of your claim or the relief you seek is frivolous or brought for an improper purpose (as measured by the standards set forth in Federal Rule of Civil Procedure 11(b)), then the payment of all such fees will be governed by the AAA Rules. In such case, you agree to reimburse us for all monies previously disbursed that are otherwise your obligation to pay under the AAA Rules. In addition, if you initiate an arbitration in which you seek relief valued at greater than \$10,000 (either to you or to us), the payment of these fees will be governed by the AAA rules. We will pay all AAA filing, administration, and arbitrator fees for any arbitration we commence against you.

Requirement of Individual Arbitration: The arbitrator may award declaratory or injunctive relief only in favor of the individual party seeking relief and only to the extent necessary to provide relief warranted by that party's individual claim. **YOU AND WE AGREE THAT EACH MAY BRING CLAIMS AGAINST THE OTHER ONLY IN YOUR OR OUR INDIVIDUAL CAPACITY, AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS, REPRESENTATIVE, OR PRIVATE ATTORNEY GENERAL PROCEEDING.** Further, unless both you and we agree otherwise, the arbitrator may not consolidate the claims of more than one person (except for the claims of co- or joint account owners pertaining to that account), and may not otherwise preside over any form of a representative, class, or private attorney general proceeding. If, after exhaustion of all appeals, any of these prohibitions on non-individualized declaratory or injunctive relief; class, representative, and private attorney general claims; and consolidation is found to be unenforceable with respect to a particular claim or with respect to a particular request for relief (such as a request for injunctive relief), then that claim or request for relief shall be severed and decided by a court, and all other claims and requests for relief shall be arbitrated.

Future Changes to Arbitration Provision: Notwithstanding any provision in this agreement to the contrary, we agree that if we make any future change to this arbitration provision (other than a change to the Notice Address), you may reject that change by sending us written notice within 30 calendar days of the change to the Notice Address provided above. By rejecting that future change, you are agreeing that you will arbitrate any dispute between us in accordance with the language of this arbitration provision, as amended by any prior changes that you did not timely reject.

Right to Reject Arbitration Provision: If you do not wish to arbitrate, you have 30 calendar days to reject this arbitration provision by sending a rejection notice to the Notice Address above by certified mail ("Rejection Notice"). To be valid, a Rejection Notice must: (i) include your name, account number, and a statement that you are rejecting the arbitration provision in this agreement; and (ii) be received by us within 30 calendar days after the opening of your account or, if an arbitration provision has been added for the first time to this agreement for an existing account, within 30 calendar days after you received notice of the change in terms. If your Rejection Notice complies with these requirements, this arbitration provision will not apply to you with respect to any claims that you or we commence in litigation or arbitration after we receive your Rejection Notice. Rejecting this arbitration provision will not affect your other rights or responsibilities under this agreement. Nor will it affect any other arbitration agreements between us.

Military Lending Act: If you are a covered member of the armed forces or the dependent of a covered member within the meaning of the Military Lending Act and your contract with us involves an extension of consumer credit under that Act, then you are not required to arbitrate disputes.

IMPORTANT INFORMATION

In Case of General Statement Errors

You must examine your statement of account with "reasonable promptness." If you discover (or reasonably should have discovered) any errors, unauthorized signatures, or alterations, you must promptly notify us of the relevant facts. You agree that the time you have to examine your statement and report to us will depend on the circumstances, but will not, in any circumstance, exceed a total of 30 days from when the statement is first sent or made available to you.

IMPORTANT INFORMATION FOR CONSUMER ACCOUNTS

In Case of Errors or Questions About Your Electronic Transactions

Telephone or write us at the number or address listed below if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

- (1) Tell us your name and account number.
- (2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.
- (3) Tell us the date and the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, we will recredit your account for the amount you think is in error, so that you will have use of the money during the time it takes us to complete our investigation. To qualify for this recredit, we require a written notice of the problem or complaint within 10 business days of your telephone call to us.

In Case of Errors or Questions About Your Line of Credit or Home Equity Loan

If you think your bill is wrong, or if you need information about this loan or a transaction on this statement, please write to us at the address listed below. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared. You can telephone us, but doing so will not preserve your rights. In your letter, please give us the following information:

- (1) Your name and account number.
- (2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.
- (3) The date and the dollar amount of the suspected error.

You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your questions, we cannot report you as delinquent or take any action to collect the amount you question.

Balance Subject to Interest Rate for Line of Credit

Balance Subject to Interest Rate / Average Daily Balance - We figure the interest charge on your account by applying the periodic rate to the 'AVERAGE DAILY BALANCE' of your account (including current transactions). To get the 'AVERAGE DAILY BALANCE', we take the beginning balance of your account each day, add any new advances and subtract any payments or credits, also subtracting any unpaid finance charges. The automatic minimum payment amount is excluded when calculating the 'AVERAGE DAILY BALANCE' and 'INTEREST CHARGE'. If the account does not have sufficient funds to cover payment and another advance is made to cover minimum payment, this is also excluded from figuring the 'AVERAGE DAILY BALANCE' but is reflected in the beginning balance of the next statement cycle. This gives us the daily balance. Then, we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the 'AVERAGE DAILY BALANCE'. Written notification of any errors must be given to preserve your rights under the Truth in Lending Act. At any time the debtor may pay the aggregate balance or any portion of his/her indebtedness.

We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.

Telephone Number and Address to Be Notified in the Event of Errors

IMPORTANT INFORMATION

In Case of General Statement Errors

You must examine your statement of account with "reasonable promptness." If you discover (or reasonably should have discovered) any errors, unauthorized signatures, or alterations, you must promptly notify us of the relevant facts. You agree that the time you have to examine your statement and report to us will depend on the circumstances, but will not, in any circumstance, exceed a total of 30 days from when the statement is first sent or made available to you.

IMPORTANT INFORMATION FOR CONSUMER ACCOUNTS

In Case of Errors or Questions About Your Electronic Transactions

Telephone or write us at the number or address listed below if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

- (1) Tell us your name and account number.
- (2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.
- (3) Tell us the date and the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, we will recredit your account for the amount you think is in error, so that you will have use of the money during the time it takes us to complete our investigation. To qualify for this recredit, we require a written notice of the problem or complaint within 10 business days of your telephone call to us.

In Case of Errors or Questions About Your Line of Credit or Home Equity Loan

If you think your bill is wrong, or if you need information about this loan or a transaction on this statement, please write to us at the address listed below. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared. You can telephone us, but doing so will not preserve your rights. In your letter, please give us the following information:

- (1) Your name and account number.
- (2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.
- (3) The date and the dollar amount of the suspected error.

You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your questions, we cannot report you as delinquent or take any action to collect the amount you question.

Balance Subject to Interest Rate for Line of Credit

Balance Subject to Interest Rate / Average Daily Balance - We figure the interest charge on your account by applying the periodic rate to the 'AVERAGE DAILY BALANCE' of your account (including current transactions). To get the 'AVERAGE DAILY BALANCE', we take the beginning balance of your account each day, add any new advances and subtract any payments or credits, also subtracting any unpaid finance charges. The automatic minimum payment amount is excluded when calculating the 'AVERAGE DAILY BALANCE' and 'INTEREST CHARGE'. If the account does not have sufficient funds to cover payment and another advance is made to cover minimum payment, this is also excluded from figuring the 'AVERAGE DAILY BALANCE' but is reflected in the beginning balance of the next statement cycle. This gives us the daily balance. Then, we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the 'AVERAGE DAILY BALANCE'. Written notification of any errors must be given to preserve your rights under the Truth in Lending Act. At any time the debtor may pay the aggregate balance or any portion of his/her indebtedness.

We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.

Telephone Number and Address to Be Notified in the Event of Errors

Call us at 800.672.8739 or write to us at Busey Bank, Attention: Customer Care Center, P.O. Box 4028, Champaign, IL 61824. You should also call us at this phone number or write to us at this address if you believe a transfer has been made using the information from your check without your permission.

IMPORTANT INFORMATION

In Case of General Statement Errors

You must examine your statement of account with "reasonable promptness." If you discover (or reasonably should have discovered) any errors, unauthorized signatures, or alterations, you must promptly notify us of the relevant facts. You agree that the time you have to examine your statement and report to us will depend on the circumstances, but will not, in any circumstance, exceed a total of 30 days from when the statement is first sent or made available to you.

IMPORTANT INFORMATION FOR CONSUMER ACCOUNTS

In Case of Errors or Questions About Your Electronic Transactions

Telephone or write us at the number or address listed below if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

- (1) Tell us your name and account number.
- (2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.
- (3) Tell us the date and the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, we will recredit your account for the amount you think is in error, so that you will have use of the money during the time it takes us to complete our investigation. To qualify for this recredit, we require a written notice of the problem or complaint within 10 business days of your telephone call to us.

In Case of Errors or Questions About Your Line of Credit or Home Equity Loan

If you think your bill is wrong, or if you need information about this loan or a transaction on this statement, please write to us at the address listed below. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared. You can telephone us, but doing so will not preserve your rights. In your letter, please give us the following information:

- (1) Your name and account number.
- (2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.
- (3) The date and the dollar amount of the suspected error.

You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your questions, we cannot report you as delinquent or take any action to collect the amount you question.

Balance Subject to Interest Rate for Line of Credit

Balance Subject to Interest Rate / Average Daily Balance - We figure the interest charge on your account by applying the periodic rate to the 'AVERAGE DAILY BALANCE' of your account (including current transactions). To get the 'AVERAGE DAILY BALANCE', we take the beginning balance of your account each day, add any new advances and subtract any payments or credits, also subtracting any unpaid finance charges. The automatic minimum payment amount is excluded when calculating the 'AVERAGE DAILY BALANCE' and 'INTEREST CHARGE'. If the account does not have sufficient funds to cover payment and another advance is made to cover minimum payment, this is also excluded from figuring the 'AVERAGE DAILY BALANCE' but is reflected in the beginning balance of the next statement cycle. This gives us the daily balance. Then, we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the 'AVERAGE DAILY BALANCE'. Written notification of any errors must be given to preserve your rights under the Truth in Lending Act. At any time the debtor may pay the aggregate balance or any portion of his/her indebtedness.

We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.

Telephone Number and Address to Be Notified in the Event of Errors

Call us at 800.672.8739 or write to us at Busey Bank, Attention: Customer Care Center, P.O. Box 4028, Champaign, IL 61824. You should also call us at this phone number or write to us at this address if you believe a transfer has been made using the information from your check without your permission.
